FRANCE having been so successful in collecting some long overdue monies from the the Turkish government by making a strong naval display before some prominent ports of Turkey, Germany now proposes to pursue the same course to get what Venzuela ows her. If they only propose to collect a just debt, our country is not likely to interfere, but the moment the Germans try to get a permanent foothold on the acil, Uncle Sam would say: "Keep off;" and it would be done. The world has a profound respect for America's stand in such matters.

THE Schley controversy over the great naval battle at Santiago has come to a legal end, the finding of the court of inquiry not being favorable to him. But Admiral Dewey and the American people are on his side in spite of the naval and political prejudices against him. The whole world has heard both sides of the story and have pronounced Schley the leading hero in that brilliant victory. No man on earth is more capable of judging the merits of the case than Admiral Dewey and he unhesitatingly gives Rear Admiral Schley the main credit for what was done in that fight.

Mrs. Frost, who recently married Mr. Rhodabarger at Falls City, and was the mother of the Gardiner brothers, of Bridgeport, died yesterday.

Get the Most Out of Your Food

You don't and can't if your stomach is weak. A weak stomach does not digest all that is ordinarily taken into it. It gets tired easily, and what it fails to digest is wasted.

Among the signs of a weak stomach are uneasiness after eating, fits of nervous headache, and disagreeable belching.

"I have taken Hood's Sarsaparilla at different times for stomach troubles, and a run down condition of the system, and have been greatly benefited by its use. I would not be without it in my family. I am troubled especially in summer with weak stomach and nausea and find Hood's Sarsaparilla invaluable." E. B. HICKMAN, W. Chester, Pa.

Hood's Sarsaparilla and Pills

Strengthen and tone the stomach and the whole digestive system.

A Medicine for Old People.

Rev. Geo. Gay, Greenwich, Kas., is past 83 years of age, yet he says: "I am enjoying excellent health for a man of my age, due entirely to the rejuvenating influences of Dr. Miles' Nervine. It brings sleep and rest when nothing else will, and gives strength and vitality even to one of my old age."

"I am an old soldier," writes Mr. Geo. Watson, of Newton, Ia., "and I have been a great sufferer from nervousness, vertigo and spinal trouble. Have spent considerable money for medicine and doctors, but with little benefit. I was so bad my mind showed signs of weakness. I began taking Dr. Miles' Nervine, and I know it saved my life."

Dr. Miles' Nervine

Saved me from the insane asylum," Mrs. A. M. Heifner, of Jerico Springs, Mo., writes. "I was so nervous that I could scarcely control myself, could not sleep nor rest, would even forget the names of my own children at times. I commenced using Dr. Miles' Nervine and it helped me from the first, and now I am perfectly well."

The Christmas Dinner.

In spite of the fact that the word dyspepsia means literally bad cook, it will not be fair for many to lay the blame on the cook if they begin the Chritmas dinner with little appetite and end it with distress or nausea. It may not be fair for any of us to do that, let us hope so for the sake of the cook! The disease dyspepsia indicates a bad stomach, or a weak stomach, rather than a bad cook, and for a weak stomach there is nothing else equal to Hood's Sarsaparilla. It gives the stomach vigor and tone, cures dyspepsia, creates appetite and makes eating the pleasure it should be.

Thousands Have Kidney Trouble and Don't Know it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and $1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.
