Something That will do you Good
Who are injured by the use of coffee. Recently there has been placed in all the grocery stores a new preparation called Grain-O, made of pure grains, that takes the place of coffee. The most delicate stomach receives it with out distress, and but few can tell it from coffee. It does not cost over one-fourth as much. Children may drink it with great benefit. Fifteen cents and 25 cents per package. Try it. Ask for Grain-O.

SALEM TRADELETS.

There are others, but none of them equal to Johnson's clothing emporium. Ask where you may, and the information will come that Johnson's clothing store is the best place in the city to get everything worn by men or boys. From the cheapest working garb to the finest wedding garments, they can please all comers. Let your boys go and see for how little money they can get nice suits at Johnson's.

DALLAS BUSINESS.

In the show windows of Gaynor's footwear emporium you can see only a few of the samples of their great variety of shoes. Make known your wants and they will supply them.

Wm. Fall does a big hardware business because people come there from so many directions and from such long distances to buy things. Do you ask why they so often go out of their way to trade with Mr. Fall? There are various reasons, the two main ones being the uniform superiority of his goods and the fact that none of his prices are ever unreasonable.

They say that the condition powder kept at Ullev's feed store to be mixed with the feed of animals will be sure to keep them in a healthy condition. Go see and ask about them.

Stage Driver Fidler never fails to satisfy those for whom he brings anything from Salem.

Ladies and childrens furnishing goods in great variety for sale by Mrs. Chase, who also has a complete tailor system of dress cutting.

Ask the Dunn's the meaning of that nice bedroom set in their grocery store. They have the best things to eat that were ever brought to Dallas, and have appointed the general public as judges.

Wiseman's hardware stores are full of things needed by families all over the county. Cash buying and low expenses enable him to sell on a very low margin of profit, which accounts for so many people always going there for hardware.

KICK A DOG
Kick a dog and he bites you. He bites you and you kick him. The more you kick the more he bites and the more he bites the more you kick. Each makes the other worse. A thin body makes thin blood. Thin blood makes a thin body. Each makes the other worse. If there is going to be a change the help must come from outside. Scott's Emulsion is the right help. It breaks up such a combination. First it sets the stomach right. Then it enriches the blood. That strengthens the body and it begins to grow new flesh. A strong body makes rich blood and rich blood makes a strong body. Each makes the other better. This is the way Scott's Emulsion puts the thin body on its feet. Now it can get along by itself. No need of medicine.

This picture represents the Trade Mark of Scott's Emulsion and is on the wrapper of every bottle.
