Beware of Ointments for Catarrh

That contain mercury, as mercury
will surely destroy the sense of smell
and completely derange the whole sys-
tem when entering it through the
mucous surfaces. Such articles should
never be used except on prescriptions
from reputable physicians, as the dan-
ger they will do is too fold to the
good you can possibly derive from
them. Hall's Catarrh Cure, manu-
factured by F. J. Cheney & Co., Tol-
edo, O., contains no mercury, and is
taken internally, acting directly upon
the blood and mucous surfaces of the
system. In buying Hall's Catarrh
Cure be sure you get the genuine. It
is taken internally, and made in To-
ledo, Ohio, by F. J. Cheney & Co.,
Testimonials free. Sold by druggists,
price 75c per bottle. Hall's Family
Pills are the best.

handled a medicine that sold better or

al use in Virginia for many years and
the people there are well acquainted
with its excellent qualities. Many of
them have testified to the remarkable
cures which it has effected. When you
need a good reliable medicine for a
cough or cold, or attack of the grip,
use Chamberlain's Cough Remedy

satisfied with the quick cure which it

COUNTY SEAT SUGGESTIONS.

Dunn's grocery is up to date in all
things. There is scarcely anything in
the eating line that they do not
keep. If you desire high priced ar-
ticles they can furnish them and they
have cheaper kinds.

No matter what kind of hardware
you want for spring use J. J. Wise-
man can supply it, and you will gen-
erally find his prices money savers for
the buyer. Examine his garden seeds.

Corsets, hosiery and all sorts of la-
dies' furnishing goods at the empor-
ium of Mrs. Chase. She takes orders
for tailor made suits.

Flour and feed for sale at the Dallas
City mills. Use their flour once and
you will not be apt to want any other.

Long and varied experience enables
Mr. Lynch to do all kinds of black-
smithing.

Spring and summer styles of foot-
wear are beginning to arrive at Gay-
nor's store. Call and examine them
even if you are not yet ready to
change to lighter weight shoes.

Field peas and vetch seed for sale
at Ullyett's store, where you can get all
manner of feed for stock and poultry.
Drop in and see his variety of supplies.

Guns, pistols, ammunition and fish-
ing tackle at Rizer's store on Mill
street. Also cutlery and umbrellas.
If your rain shade is broken or won't
work right take it to him.

Mail Carrier Fidler will bring any-
thing for anybody from Salem.

It's rather interesting to visit the
Bee Hive store these days, such an ar-
ray of spring merchandise is display-
ed—all kinds of wash fabrics. Just to
mention a few, such as organdies, Irish
dimities, chambrays, mercerized
madras in stripes and solid colors, ecru
batiste and linens, linen swiss with
colored polka dots, fancy striped
waistings, open stripe silk zephyrs,
and many other novelties of every de-
scription. And prices are always the
lowest at the Bee Hive store.

Brown's store is a good place to get
under one roof all the merchandise
you may want. Dress goods for la-
dies and children, clothing for men
and boys, underwear for everybody,
sheets, pillowcases and ticking for
beds, shoes of all sizes for both sexes
and groceries in abundance.

For temporary housekeeping Mr.
Kerlake, the furniture man, can fur-
nish you with many second hand ar-
ticles very cheap, or he has better new
goods for very little money.

Dockstead's livery teams may be
seen spinning through the country in
all directions. His vehicles are
strong, his harness stout and his horses
get over the ground at a rapid rate.

Go to the Dunn grocery for hominy,
corn meal, buckwheat flour, Ralston's
health foods, sweet pickles, choice ap-
ples, butter and preferred stock goods
of all kinds.

Spring trade has opened at Faull's
hardware store. People are buying
garden seeds and implements to begin
work soon as the ground is dry enough
and farmers are now supplying them-
selves with a variety of things that
will be needed when the busy season
begins. Better look around your
premises to see what is wanting.

STATE CAPITAL HINTS.

Near the Bush bank is a harness
maker who seldom fails to have on
hand exactly what farmers want. K.
Shaffer has a large stock from which
to select or will promptly make what-
ever is asked for.

All kinds of new spring goods are
now arriving at the New York Rocket
New hats, new shoes, new shirts, new
clothing, new ribbons and lace, new
hosiery and underwear, all at very low
prices for spot cash. That store has
been the farmer's best friend for the
past ten years.

The steam laundry, already the best
in the state, is receiving still more im-
proved machinery to help their thirty
employees turn out washing that is
sure to please.

Dr. Keeler, the veterinarian, has
saved the life of many an animal
around by knowing what ailed it and
what was the best remedy for that
particular case. Let him prescribe for
your sick animal.

We eat at the George lunch coun-
ter because nowhere else can we get a
bett r meal for the same money.

They do say that the clothing store
of Johnson & Co. outranks any other
in town for stylish and well made
clothing that will stand rough usage.
Almost invariably you would guess
their goods as higher priced than they
are. Whenever they sell one unit in
a neighborhood others are sure to go
there for something of the same kind.
You should trade at Johnson's.

Stops the Cough. Laxative bro-
moquinine tablets cure a cold in one
day. No cure, no pay. Price, 25
cents.

Taxpayers, remember that tomor-
row is the last day for getting a 3 per
cent discount on 1901 taxes and that
one-half of your taxes will become de-
linquent, with a 10 per cent penalty,
on the 1st of April.

The Oregon conference of the Unit-
ed Evangelical church will be held in
Dallas, beginning Friday, April 11th
and continuing several days. Bishop
Stanford of Pennsylvania, will pre-
side. There will be an examination
of junior preachers on the 10th and a
Christian Endeavor rally that even-
ing. More than 50 delegates will at-
tend and
