DALLAS, FRIDAY, MAY 16, 1901.

W. A. WASH.

EDITOR AND PROPRIETOR.

SUBSCRIPTION RATES:

50 Per year... 75 Per six months... 40 Per three months... Advertising rates made known on application.

THE DEMOCRAT TICKET.

STATE.

For Governor—Geo. E. Chamberlain, of Multnomah. For Supreme Judge—B. F. Bonham, of Marion. For Secretary of State—D. W. Sears, of Polk.

COUNTY.

For Representative—W. B. BULLER, of Monmouth. For Joint Representative—L. M. SIMPSON, of Airline. For Sheriff—J. T. FORD, of Dallas.

This county could not send to the legislature a more capable and influential man than M. L. Butler. His legal knowledge and familiarity with business affairs would at once put him in the front rank as a legislator.

Many republicans admit that it would have been better for their cause if both Furnish and Fulton had remained away from Dallas. Neither measured up to what was expected of them and both created prejudices that will drive votes to the opposition.

Commissioner Riggs, Treasurer Dalton and Assessor Myer have, during the past two years so faithfully and acceptably performed the duties of their offices that the general public are very much inclined to retain their services for another term.

The more that people have talked about the sheriff's office the stronger have become their convictions that J. T. Ford is the best possible man to put into that position. From abundant experience he knows exactly what to do and how to do it.

When Prof. W. A. Wain was nominated for state superintendent of public instruction, the republicans were of the opinion that their candidate would have a walkover and not find it necessary to leave his ordinary duties.

The Democratic Candidates. With possibly one or two exceptions they are more capable and more worthy of the offices sought than those put up by the opposition.

Republican Speaking. Last Monday evening the motor brought over from Independence and Monmouth three orators, most of them young people who came because it was a free ride.

It Saved His Leg. P. A. Danforth, of LaGrange, Ga., suffered for six months with a frightful running sore on his leg; but writes that Bucklen's Arnica Salve cured it in five days.

Dr. Miles' Heart Cure. J. A. Kremer of Arkansas City, Kan., says: "My heart was so bad it was impossible for me to lie down, and I could neither sleep nor rest."

Republican State Ticket.

For Governor, W. J. FURNISH, of Umatilla. For Supreme Judge, R. S. BEAN, of Lane. For Secretary of State, F. I. DUNBAR, of Clatsop.

Republican District Ticket.

For Congressman, THOS. H. TONGUE, of Hillsboro. For Joint Representative, B. F. JONES, of Lincoln. For Representative, GEO. L. HAWKINS, of Independence.

OUR STAFF OF RUSTLERS.

What they have to say about the doings in the county. An Unequaled and Complete Record of What You Friends are and Have Been Lately Doing.

Thousands Have Kidney Trouble and Don't Know It.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys.

POLK COUNTY PEOPLE.

A Good Hearted Man, or in other words, men with good sound hearts, are not very numerous. The increasing number of sudden deaths from heart disease daily chronicled by the press, is proof of the alarming prevalence of this dangerous complaint, and as no one can foretell just when a fatal collapse will occur, the danger of neglecting treatment is certainly a very risky matter.
