Thousands Have Kidney Trouble and Don't Know It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours. A sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery free of charge. Write for it to-day. Send a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., 180 N. 2nd St., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

REV. DR. DOANE.

REV. N. DOANE, D. D., Dean of the Theological School of the Portland University, Celebrated His Golden Wedding Last September (Salem Journal).

This worthy man has been at the head of the Methodist church in the northwest for over forty years. He had a double reason to be congratulated on this occasion, as he was sixty-two years of age, and in spite of his advanced age, his hearing was restored last April by Dr. Darrin, now located at the Willamette hotel, Salem, until July 6. No one will attempt to question the reverend gentleman's word, as his unblemished record is well known. He tells the story below in his own words:

University Park, Portland, Oregon, April 26, 1899. To whom it may concern and encourage, to friends who have suffered like myself the loss of hearing. On April 24th I called on Dr. Darrin, whom I believe to be a skilled aurist and physician, to restore my hearing. He applied his remedies and electricity to one ear and cured the deafness in a few minutes. He then turned his attention to the other ear, which seemed not to yield so readily. For this ear the Doctor gave me medicines to use at home, which I am now using. I think it is the duty of all who are afflicted to have their hearing restored if possible, and I know no one that I think more skilled than Dr. Darrin.

NEHEMIAH DOANE.
What Further Treatment Did For Rev. Dr. Doane.
To the Editor: Some two weeks or more ago I said something of regaining my hearing under the treatment of Dr. Darrin, of which I had suffered for several years. On the first application the deafness of one ear, the left, was remedied. The difficulty with the other was more serious. I applied the medicine faithfully and went to the doctor again, who succeeded entirely in restoring the lost sense of hearing, so that when I went out upon Third street, Portland, it seemed to be the noisiest city I was ever in. My hearing still remains distinct, in both ears equally good.
NEHEMIAH DOANE.
Mr. Darnell's Experience with Dr. Darrin.
To the Editor: For two years prior to going under Dr. Darrin's electrical treatment I was afflicted with heart trouble, sour stomach, dyspepsia, bloating and pains. Dr. Darrin has cured me. Refer anyone to me at my home in Medford, or by letter to post-office box 226. I most earnestly commend Dr. Darrin as a skillful physician.
