**What are Humors?**  
 They are vitiated or morbid fluids coursing the veins and affecting the tissues. They are commonly due to defective digestion but are sometimes inherited.  
 How do they manifest themselves?  
 In many forms of cutaneous eruption, salt rheum or eczema, pimples and boils, and in weakness, languor, general debility.  
 How are they expelled? By  
**Hood's Sarsaparilla**

### VARICOCELE TREATMENT.

So many people, old and young, are affected with varicocele that a means of having it cured was something long sought for, and surgical science has been at fault until very recently. Dr. Darrin, at Willamette hotel, Salem, is now able to accomplish it, absolutely without pain or detention from business, so the cure is permanent and lasting. As a proof of this assertion we refer by permission, to Mr. A. J. Armstrong, cutter and chief assistant to "Nicoll, the Tailor," at 80 Third street, Portland. Read his card.

To whom it may concern: Without solicitation I volunteer my testimony in favor of Dr. Darrin, who cured me of an aggravated case of varicocele of many years standing. Had despaired of cure until eight years ago I tried Dr. Darrin's new method and was permanently cured. I most emphatically recommend Dr. Darrin as a skillful physician and a straightforward man in business. Will gladly confer with anyone, either in person or by letter, at 80 Third street, where I have been employed for years.

## Thousands Have Kidney Trouble and Don't Know It.

Fill a bottle or common glass with water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.  
**What to Do.**  
 There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y.
