#### Colden Wedding.

On September 16, 1902, Mr. and Mrs. J. M. Davis. of Gooseneck, cel-brated their golden wedding. They were married in Mercer county, Ohio. They September 16, 1852, emigrated to Oregon in 1864 and two years later settled on the place they still occupy. Ten children have been born to them, five boys and five girls, four of whom are living-Frank Davis, of Sonora, Mexico, Mrs. J. W. Porter, of Rose-burg, Mrs. R. S. Conner, of San Jusé, and Mrs. G. A. White, of Portland. The daughters were present but the son was unable to attend. A sumptu-ous family dinner was served at noon, and in the evening about 60 friends and neighbors gathered at the home to wish the aged couple many happy, prosperous years to come. They were treated to light refreshments and many were the kind word's uttered to lighten the hearts of the aged couple. Mr. Davis is hale and hearty and doing the field work of a much younger man, and has no use for a cane. He has followed agriculture all his life and has one of the best hop fields in Polk county. The presents were ma-ny and valuable, some coming from relatives in the eastern states, they being the only couple of either family to be spared so many years of married Mrs. Davis has ever been a low er of flowers and slways has her home surrounded with many beautiful varieties. Their children, grandchildren and great grandchildren number sixteen. The bride was surprised to find the dinner table loaded with royal blue and gold china ware, a present for

#### The Renewal a Strain.

Vacation is over. Again the school bell rings at morning and at noon, again with tens of thousands the hardest kind of work has begun, the renewal of which is a mental and physical strain to all except the most rugged. The little girl that a few days ago had roses in her cheeks, and the little boy whose lips were then so red you would have insisted that they had been "kissed by strawberries," have already lost something of the appearance of health.
