There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a good many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore, requires constitutional treatment. Halls Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses of from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer \$100 for any case it fails to cure. Send for circulars and testimonials. Ad dress, F. J. Cheney & Co., Toledo, Ohio. Sold by druggists for 75 cents. Hall's Family pills are the best.

TO THE INCREDULOUS.

There Was Never the Man Who Was Fooled or Humbled—He Humbled Himself.

The human race affords in itself a most singular study. There are among its many classes of thinkers, those who refuse to accept any evidence in others, no little evidence in themselves, or no evidence in anything. The man who knows it all himself, the man who thinks somebody else knows it all and the man who thinks he knows who knows it all. The ecologist, the simpaton and the skeptic. Recognizing the fact that people require more substantial evidence than mere words and promises, Dr. Barrin resorts to the most legitimate method of advertising himself by advertising his cures. That those among the community may be offered an opportunity of investigating before calling in person upon the doctor, the following names are published bearing evidence of the doctor's ability and skill as well as success.

J. V. Van Osdol's daughter, Salem, discharging ears and deafness, cured.

B. G. Dove's daughter, West Salem, diabetes and kidney trouble, cured 15 years ago.

S. R. Ramp's son, 373 Marion street, Salem, weak lungs, pain in side and general debility, cured.

F. H. Hohn, 247 Commercial st., Salem, catarrh, cured.

Reuben Lee and wife, Turner, Ore., sciatic rheumatism and cough, restored.

Mrs. Georgia Miles, Pratum, Ore., cancerous tumor in the breast, rapidly disappearing.

Mrs. C. Fleming, Salem, varicose ulcers on both limbs, restored.

After being treated by an eminent physician for quite a while without relief, my wife recommended Chamberlain's Pain Balm, and after using two bottles of it he is almost entirely cured.—Geo. R. McDonald, Man, Logan county, West Virginia. Several other very remarkable cures of partial paralysis have been effected by the use of this liniment. It is most widely known, however, as a cure for rheumatism, strains and bruises. Sold by A. K. Wilson.
