Itching Skin

Distress by day and night—That's the complaint of those who are so unfortunate as to be afflicted with Eczema or Salt Rheum—and outward applications do not cure. They can't.

The source of the trouble is in the blood—make that pure and this scaling, burning, itching skin disease will disappear.

"I was taken with an itching on my arms which proved very disagreeable. I concluded it was salt rheum and bought a bottle of Hood's Sarsaparilla. Two days after I began taking it I felt better and it was not long before it was cured. I have never had any skin disease since." Mrs. Iva E. Ward, Cove Point, Id.

Hood's Sarsaparilla and Pills
rid the blood of all impurities and cure all eruptions.

VIBRATION.

Electricity is a force resulting from the vibrations of ether waves. Owing to the fact that life force is also vibratory ether, the effect of electricity on the human body is very pronounced. If from any cause, the vibratory rate of the etheric life waves in the human body is lowered, vitality is weakened and sickness is the result.

An application of electricity by a skillful physician who understands the law governing its action is the most powerful healing force that can be applied. It raises the vibratory rate to its normal condition, and health is restored. As to results, read the cases appended, cured by Dr. Darting.

Chief of Police Brisco's wife, of the Indian reservation, Pendleton, almost total blindness, cured. Chis Breding's son, Pendleton, eye troubles for years, restored. Miss Nellie Royce, Athens, cross-eyes, cured. R. M. Patton's daughter, Pendleton, discharging ears, cured two years ago.

L. M. Comons, Russell street, Albina, sciatic rheumatism and lumbago; cured.

B. F. Pope, Houlton, Oregon, diabetes and catarrh of the bladder; restored.

W. H. Pettis, agent Mutual Life Insurance Company, 33 Stark street, Portland, deafness; cured.

Thomas Madison, Farmington, Oregon, scrofulous swelling under the ear, causing total deafness; cured.

A. E. Miller, photographer, 277 Knott street, Albina, stricture many years, life despaired of; cured.

Joseph Leader, Taylor postoffice, total deafness six years; cured.

G. B. Matthews, Eagle Point, Oregon, consumption and large tumor; cured.

H. A. Tucker, president of the bank at Genesee, Idaho, catarrh 15 years; cured.

Hundreds of other cures might be mentioned were it not for the fact that many dislike to see their names in print. Patients desiring to see Dr. Darting should not delay.

Dr. Darting gives free consultation at Willamette Hotel, Salem, until November 1st, from 10 to 5 and 7 to 8 daily. All curable chronic, acute and private diseases confidentially and successfully treated. Circulars and question blanks sent free to any address, and correspondence solicited. Most cases can receive home treatment after one visit to the doctor's office. Batteries and belts furnished when necessary, with full directions for their use.

Royal Month and Royal Disease.
Sudden changes of weather are especially trying, and probably to none more so than to the scrofulous and consumptive. The progress of scrofula during a normal October is commonly great. We never think of scrofula—its bunches, cutaneous eruptions and wasting of the bodily substance—without thinking of the great good many sufferers from it have derived from Hood's Sarsaparilla, whose radical and permanent cures of this disease are enough to make it the most famous medicine in the world.

There is probably not a city or town where Hood's Sarsaparilla has not proved its merit in more homes than one, in arresting and completely eradicating scrofula, which is almost as serious and as much to be feared as its near relative—consumption.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys are also out of order.

What To Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer, Home of Swamp-Root, Co., Binghamton, N. Y.
