

We have no high expenses running this immense mercantile house and our great cash buying and small expense is all figured down so you are the gainer as well as we are and makes it possible to turn our stock over so many times a year at a little profit, which is a bigger gain to us than one who is waiting until they get the big profit. Consider this and then decide where the right place would be to do your fall purchasing and where you will save the most money. Study our prices, compare goods and you will find each and ever article just as advertised. Yours truly,

HEART TO HEART TALK.

Another Salem Lady Finds the Road to Health and Happiness.

To the Editor: This is written so that other sufferers may know where to apply for relief. I have been afflicted for a long time with many diseases peculiar to my sex, which I will explain to any desiring to know. I have been successfully treated by Dr. Darrin, at the Willamette Hotel. My cousin, Mrs. Georgia Miles, of Pratum, was also cured by Dr. Darrin of a cancerous tumor in her breast. I most earnestly recommend Dr. Darrin and his electrical and medical treatment to all and I will gladly talk with anyone at my home, 205 Thirteenth st., Salem.

Mrs. H. J. POWELL.

A GERMAN CITIZEN

Speaks Gratefully of His Relief by Dr. Darrin.

To the Editor: For four years past my health has been impaired from the effects of dyspepsia, heart and kidney disease, and pain in the stomach and back. I have tried many remedies and doctors to no use. I was troubled with diabetes—getting up nights to relieve my bladder. Have been under Dr. Darrin's treatment and pronounce myself restored to health. My wife has been successfully treated for liver and stomach trouble and pain in the side. Tell all your readers to consult me at Chemawa, Oregon, and I will explain how I was cured. I am a German and will gladly tell my countrymen of my cure.
