Women as Well as Men

Are Made Miserable by

Kidney Trouble.

Kidney trouble preys upon the mind, disor- gances and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kid- neys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kid- neys. If the child urines too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs.

This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miser- able with kidney and bladder trouble, and both need the same great remedy. The mild and immediate effect of Swamp-Root is soon realized. It is sold by druggists in fifty-cent and one dollar sizes. You may have a sample bottle by mail free, also pamphlet tell- ing all about it, including many of the most interesting letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper.

There will be a two days turkey shooting here Thanksgiving.

The bridge across the Yamhill at the picnic grounds is being rebuilt. The high water has prevented its completion so far.

Aunt Betsey Conner died at Ione Tuesday morning; no particulars received at present writing. She will be brought here for burial. An extended sketch of her life will be sent next week.

A basket social will be given by the public school the evening of the 26th, the proceeds to be used in buying an organ for the school.

Stopped Against a Hot Stove. A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and in less than two weeks was well.

Mrs. Benson is a well known resident of Kilar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by the Wilson Drug Co.

AIRLIE. An unusual amount of rain fell here the past week.

Sam Hastings took a couple of loads of hogs to Independence Monday.

Fred Weatherwax and Romanzo Marsland, who were in jail bound over to circuit court under charges of theft, escaped last Saturday night. Their absence was not known until Sheriff Ford went to feed them next morning. In some manner they had procured a bracket saw, with which two large round iron bars had been sawed out of the corridor door to give them egress. Then they pried off a bar from the down stairs grating. They had evidently been at work on the bars for some time, as there was evidence of the sawed places having been scraped and glued over to prevent detection. Two strangers supposed to be them took supper at Perrydale Tuesday evening.

The Chinese who raise most of the potatoes in California have formed a trust and expect to soon corner the product and make prices to suit themselves. Like monkeys, they are imitative.

George C. Will, the Salem piano and organ dealer, seems to have a strong hold on the church and school organ trade in our county. Last week he delivered one to the Falls City school and this week another to the Baptist church in Monmouth.

The stormy weather has prevented much fall sowing and there will be an unusual amount of spring grain. Most farmers did their best to get ahead of the rains.

There are now but few unsold hogs in this region. W R Craven has 56 hogs, G. George Rowell 80, Fenton & Toner 27. At Rickreall Fred Koser, Samuel Orr and Judge Burch still hold their crops. Henry Clantfield has 168 hogs at Ballston and 107 on the Luckiamute.
