Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is overworking in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar bottles. You may have a sample bottle by mail.

Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y. on every bottle.

The houses in Eola are all rented; nearly all are Tennessee folks.

Arrangements are being made for space to pile over 1,000 cords of wood this next summer.

Edna Butler and Ethel Berry were each 17 years old February 22nd and they concluded to have a joint entertainment on that date. Ethel invited a number of her friends and schoolmates to a crokinole party Saturday night at her fathers home on the H. N. Ellis place south of town, and Edna gave a reception and oyster supper at her home on Ballston Sunday evening. A very enjoyable time was had at each party and these two events will long be remembered by the twin schoolmates and their many friends.

Tragedy Averted.

"Just in the nick of time our little boy was saved," writes Mrs. W. Watkins of Pleasant City, Ohio. "Pneumonia had played sad havoc with him and a terrible cough set in besides. Doctors treated him, but he grew worse every day. At last we tried Dr. King's New Discovery for Consumption, and our darling was saved. He's now sound and well."
