THE SUPERIOR.

It is superior in principle and tested capacity for feeding any and all kinds of material to be threshed by a separator, either loose or bound. By taking off the knives, which will require two or three minutes, it is as well adapted to threshing loose stuff as it is for sheaves. I am ready to test its capacity and quality of work in competition with any other appliance for the same purpose. The contest must set a first class threshing outfit within 6 or 8 miles of Dallas and have enough material for half a day or more of test. They are to show their best capacity, quality and quantity of work and the amount of power and time required. Then I will set the Superior on the same outfit and test my \$120 feeder against \$120 cash to be placed in the hands of someone agreed upon. The said cash is to be paid to me if I am successful in the contest, but if I fail then the other party is to get back his money and my feeder. The contest is to be over the quality and quantity and the time and power required. Each of us is to choose a judge and they to select the third judge. The Superior's capacity in average length of straw is about 7,200 sheaves an hour. It does its work without chugging or unnatural reacting, retarding grinding sound from the cylinder, thus proving it to be light on the power, and giving greater assurance of threshing and cleaning without waste. To introduce the Superior into the market, I offer it to anyone who has a good machine and a season's threshing engaged, with or without pay for one season's threshing. If not sold before close of the season it could then be purchased. Price made known on application to Thomas Elliott, Clay Street, Dallas, Oregon.

THE GOSPEL RULE.

Mr. McDonald, his wife and four children, living on Red Prairie, were all sick at one time. The wife and mother died and was buried at Harmony last Sunday. Being a poor man and a reuter his trials were severe. Last Monday morning his neighbors went with teams, feed and dinner and seeded a good sized field for him. That was a case of genuine sympathy and all concerned felt happier and better after such a deed. The helpers were Wm. McGhie, J. M. Syron, C. A. Harold, John Rand, Ed Dykstra, John Jolly, Wm. Armistage, Marion Buell, Mr. Wigger, Lynn Birks, Wm. Birks, Henry Black, John Davis and Jake Hinshaw.

The final account of the Avery D. Babcock estate was set for hearing May 4th.

Our new railroad is now on its own legs, as its engine is hauling ties and bridge timbers from the sawmill to the round house. The Johnson saw mill will furnish them at least 150,000 feet of lumber. Half a mile of track is laid and it will be pushed ahead as fast as the lumber can be constructed across the low places. J. C. Talbot, who has had so much to do with it, is in charge of its pretty engine No. 1.

Come to most people and cause many troubles, pimples, boils and other eruptions, besides loss of appetite, that tired feeling, fits of biliousness, indigestion and headache.

The sooner one gets rid of them the better, and the way to get rid of them and to build up the system that has suffered from them is to take

Complaint is filed today against John R. Cooper for conducting a gambling house. This being rather a serious charge it is rumored that the matter will be smothered. It is not popular to interfere with the gambling business here, as it is considered to be somewhat in restraint of trade.

The Simpson saw mill is running full time and turning out a large quantity of lumber. Last week they shipped several car loads of heavy square timbers to Minneapolis.

Special Agent C. W. Hawshurst of the New Zealand Insurance Co. was in town this week, making an official visit to B. Wilson, their local agent.

E. T. Smith of Liberty, in the red hills across the river, has bought of Mr. Anderson of Salem five acres of prime orchard at \$90 an acre. This was considered a very low price, as it could not now be bought at \$125 an acre. There were no buildings on the land.

WAKEFUL CHILDREN.

For a long time the two year old child of Mr. F. L. McPherson, 59 N. Tenth St., Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble, and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach, and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by Wilson Drug Co.

SPRING VALLEY.

The Presbyterian church at Zena was beautifully decorated with flowers last Sunday and sweet singing birds in cages made the occasion still more pleasing. The sermon by Pastor Walker and the speeches by the prettily arrayed little folks were greatly enjoyed.

Coons had been paying too frequent and too fatal visits to W. B. Duncan's hen roost. He decided to retaliate and at 10 o'clock at night started out with some of the Lincoln boys in search of coons. They treed something, half a dozen guns were fired at it, and down came a neighbor's cat—threatened lawsuit being the sequel.

IT SAVED HIS LEG.

Colds Are Dangerous.
How often you hear it remarked:
"It's only a cold," and a few days later
learn that the man is on his back
with pneumonia. This is of such
common occurrence that a cold, how-
ever slight, should not be disregarded.
Chamberlain's Cough Remedy coun-
ters any tendency toward pneu-
monia. It always cures, and is pleas-
ant to take. Sold by Wilson Drug Co.

the Methodist church Saturday and

Arrangements will be made for a
concert and literary entertainment in
April.

Danger of Colds and Grip.
The greatest danger from colds and
grip is their resulting in pneumonia.
If reasonable care is used, however,
of said Chamberlain's Cough Remedy
taken, all danger will be avoided.
Among the tens of thousands who
have used this remedy for these dis-
eases we have yet to learn of a single
case having resulted in pneumonia,
which shows conclusively that it is a
certain preventive of that dangerous
disease. It will cure a cold or an at-
tack of the grip in less time than any
other treatment. It is pleasant and
safe to take. For sale by the Wilson
Drug Co.

Tragedy Averted.
"Just in the nick of time our little
boy was saved," writes Mrs. W. Wat-
kins of Pleasant City, Ohio. "Pneu-
monia had plucked him away with
him and a terrible cough set in be-
sides. Doctors treated him, but he
grew worse every day. At last we
tried Dr. King's New Discovery for
Consumption, and our darling was
saved. He's now sound and well." Every-

gon relatives for a change of air.

two horses and eight cattle while the
snow had all the grass covered.

The Falls City band and a number
of ladies gave Frank Butler and wife
a pleasant surprise the other even-
ing. After a variety of music all
hands came in and had a good social
time. Before leaving they were
weighed, the aggregate being 3 tons.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.
Fill a bottle or common glass with your
water and let it stand twenty-four hours. A
sediment or settling indicates an
unhealthy condition of the kid-
neys. If it is in the back is also
convincing proof that the kidneys and blad-
der are out of order.

There is comfort in the knowledge so
often expressed that Dr. Kilmer's Swamp-
Root, the great kidney remedy, fulfills every
wish in curing rheumatism, pain in the
back, kidneys, liver, bladder and every part
of the urinary passage. It corrects inability
to hold water and scalding pain in passing
it, or bad effects following use of liquor,
wine or beer, and overcomes that unpleasant
necessity of being compelled to go often
during the day, and to get up many times
during the night. The mild and extra-
ordinary effect of Swamp-Root is soon
realized. It stands the highest for its won-
derful cures of the most distressing cases.
If you need a medicine you should have the
best. Sold by druggists in 50c. and \$1. sizes.
You may have a sample bottle of this
wonderful discovery
and a book that tells more
about it, both sent
absolutely free by mail,
address Dr. Kilmer & Co.,
Binghamton, N. Y. If you
are reading this generous offer in this paper,

Do not make any mistake, but re-
member the name, Swamp-Root, Dr.
Kilmer's Swamp-Root, and the ad-
dress, Binghamton, N. Y. on every
bottle.
