BLOOD HUMOURS

Skin Humours, Scalp Humours, Hair Humours,

Whether Simple Scrofulous or Hereditary

Speedily Cured by Cuticura Soap, Ointment and Pills,

When All Other Remedies and Best Physicians Fail.

COMPLETE TREATMENT, \$1.00.

In the treatment of torturing, disfiguring, itching, scaly, crusted, pimply, blotchy and scrofulous humours of the blotchy and scrofulous humours of the skin, scalp and blood, with loss of hair, Cuticura Soap, Ointment and Pills have been wonderfully successful. Even the most obstinate of constitutional humours, such as bad blood, scrofula, inherited and contagious humours, with loss of hair, glandular swellings, ulcerous patches in the threat and mouth, sore eyes, copper-colored blotches, as well as boils, carbuncles, scurry, sties, ulcers and sores arising from an imulcers and sores arising from an im-pure or impoverished condition of the blood, yield to the Cuticura Treatment, when all other remedies and methods

And greater still, if possible, is the wonderful record of cures of torturing, disfiguring humours among infants and children. The suffering which Cuti-cura Soap and Ointment have alleviated among the young, and the comfort they have afforded worn-out and wor-ried parents, have led to their adoption in countless homes as priceless curatives for the skin and blood. Infantile tives for the skin and blood. Infantile and birth humours, milk crust, scall head, eczema, rashes and every form of itching, scaly, pimply skin and scalp humours, with loss of hair, of infancy and childhood, are speedily, permanently and economically cured when all other remedies suitable for children, and even the best physicians fail and even the best physicians, fail.

Two Kinds of Wag. In an Iowa law court an attorney was arguing with great carnestness and eloquence. In the midst of his argument he paused a moment, says the Green Bag, and said:

"I see your honor shakes his head at that statement. I desire to reaffirm it, although your honor dissents." "I have not intimated," replied the

judge, "how I should construe the evidence or what my decision will be in the case, and your remark is uncalled

"That may be true," the court reoffed. "There was a fly on my ear, and I reserved the right to remove it in any manner I saw fit. Proceed with your

Caleb Cushing's Dress.

Caleb Cushing's peculiar manner of Iress and his eccentricities were fremently the subject of newspaper articies. Although quite a large and portly man, his clothes always seemed to e two or three sizes too large for him and of the cheapest material. He always during both summer and winter vore a large cloth cap pulled close down on his head and altogether looked anything but the brilliant jurist and diplomat. One day, after reading an unusually caustic comment upon his dress, he remarked to the writer, "I guess by the time that fool is as old as I am he will care more for comfort than fashion."

Seen on an Ostrich Farm. It is no uncomn male ostrich strutting about followed by three or four distinct broods, all of different sizes. When the incubating process is completed, the cock bird ends his young ones off and if he meets another proud papa engages in a terrific combat with bim. The vanulshed bird retires without a single chick, while the other, surrounded by two broods, walks away triumphantly.

Gave Himself Away.

the reopening of a restored church the bishop thanked the churchwarden, an old farmer, for his share in the good work. "And I must thank your lordship for your sermon," was the reply, "but I could not help thinking, as you talked about sin, that your lordship must have been a little wildish your self when you were a young man.

Contentment. One who had tried several times to jump across a stream and had repeatedly fallen in finally succeeded, when he said to a friend, "How much better I am than you in having accomplished a difficult feat."

"Not at all," replied his friend. "I am better than you in not wishing to jump across."-St. Nicholas.

The Difference. "What a luxury a clear conscience is!" exclaimed the high minded states-

"Yes," answered Senator Sorghum, "It's a luxury, but it isn't a necessity." -Washington Star.

"For what are you weeping?" cation of raw liaseed oll will generally left on the affected spot for several grandmother did!" hours or over night. Alcohol will perform the service if applied at once to rosewood or highly finished mahogany. In each instance, when the color has reportal a good many years ago, he returned, the apot should be repolished made a speech at Gloncester, England. with a piece of cheesecioth moistened in which the future colonial secretary with turpentine.

How to Test Eggs. A new method of testing eggs for their freshness has been communicated to the Agricultural society of Saxony. An egg plunged in water tends to rise with more buoyance according to its age, owing to enlargement of the empty space at the thick end by evaporation of water from the white; hence the egg takes a different position in the water. Fresh eggs remain horizontal, an egg three to five days makes an angle of 20 degrees with the horizon, one eight days gives an angle on the audience was tremendous, and over 45 degrees, and at the end of four- the quotation is ranked as one of the teen days the angle is 60 degrees. An great oratorical hits of the Birmingegg three weeks old lies at 70 degrees. her statesman's life. One three months remains vertical, and when it is older still it floats.

A Satisfactory Explanation. In the closing hours of the late se sion of congress Representative Chartle Curtis of Kansas told this story to a few friends gathered in the cloak-

"A few years ago a man of my acquaintance was sent to the Kansas legature by a rural constituency. He had promised that great things should be accomplished when he reached the state capital, and his constituents kept their ears close to the ground, listening for the rumble of his thunders. He got lost in the shuffle at Topeka. ever, and was never heard from. When he returned home after adjournment, a neighbor accosted him.

"'John,' he said, 'I thought you were going to do great things down to Topeka. Wby, you didn't even make a speech.

"'Well, you see, it was this way," John explained: 'We decided it would take too much valuable time for all of us to talk, so we selected Mr. Smith speaker of the house."

wholly satisfactory explanation."- Hall, "is going to funerals, Washington Letter.

Mrs. Grant's Apt Reply. When Mrs. Julia Dent Grant was living in Philadelphia, in the house at 2009 Chestuut street, that her husband surrendered to his creditors at the time of the Grant & Ward fallure, It is recorded of her that she was visited one afternoon by a rich but parsimonions old woman.

The old woman narrated to Mrs. Grant the misfortune that had lately attended a ward of lers, a young woman who had married a drunkard and Deacon Regers would ever have anothwho had just been deserted, though | er funeral."-Washington Post. she was penniless and had two little children

"I couldn't help but feel for her this morning when she told me about her trouble," said the old woman "It was well that you felt for her." said Mrs. Grant. "But did you feel in the right place? Did you feel in your pocket?"-Boston Post.

Dr. Whipple when bishop of Minnesota was called "the apostle for the Indians" from the great efforts which he made for them. He liked to tell stories of the self control into which

and thereafter the piece kept in perfect these red men had trained themselves, polish by a daily rubbing, the oll is One of his favorite stories was this: sure to form a crust sooner or later Some Indian chiefs were dining at a which is gummy to the touch and not great Washington hotel. One of them pleasing to the eye. For this reason saw a white neighbor using cayenne new furniture should be kept as long pepper. He took the bottle and shook as possible without the application of it over his plate.
