State Democratic Paper.
Many efforts to establish a state democratic organ in Oregon having failed, some had concluded such a thing impossible, but we are to have such a publication in the Portland Journal. It started in very modestly and has gradually grown and found its way into general public confidence, until now the general public concede that it will be a success. The rank and file of democracy will join in its support and so will many republicans who have not been pleased with the doings and the makeup of their own party. We can furnish the Semi-weekly Journal and the Itemizer for \$2 a year or their daily and this paper for \$4 a year. Now while things are warm politically is the time to order them.

OUR STAFF OF RUSTLERS.

WHAT THEY HAVE TO SAY ABOUT THE DOINGS IN THE COUNTY.

An Unequaled and Complete Assortment of What Your Friends are and Have Been Lately Doing.

Life.

The poet's exclamation: "O life! I feel the bounding in my veins," is a joyous one. Persons that can rarely or never make it, in honesty to themselves, are among the most unfortunate. They do not live, but exist; for to live implies more than to be. To live is to be well and strong—to be feeling equal to the ordinary duties of the day, and to retire not overcome by them—to feel life bounding in the veins. A medicine that has made thousands of people, men and women, well and strong, has accomplished a great work, bestowing the richest blessings and that medicine is Hood's Sarsaparilla. The weak, rundown, or debilitated, from any cause, should not fail to take it. It builds up the whole system, changes existence into life, and makes life more abounding. We are glad to say these words in its favor to the readers of our columns.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your lines it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells you how to get it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y. on every bottle.
