[Albany Herald]

This eminent and far famed specialist has met with such an immense volume of business since coming to Albany that he finds it absolutely necessary to prolong his visit to October 1st. It is a source of gratification to the doctor's friends to know that his skill is being so well and appreciatingly tested. His patients are coming from all parts of Oregon, and in all cases a benefit or cure is effected. The doctor's skill is becoming so well known and his cured patients so plentiful that his name has become a household word in hundreds of homes in this vicinity. Here is one of the cures:

Happy after Two Years of Misery. Mr. Editor: I can recommend Dr. Darrin's treatment. For eight or ten years I have been troubled with rheumatism in the hip and back, also diabetes. Through Dr. Darrin's electrical and medical treatment, I am cured of the rheumatism and the diabetes. Refer to me at Jefferson, Oregon.

Write the Editor of the Jefferson Review Says Mr. Pate's Cure.

Almost every one in Lion and Marion counties knows J. W. Pate, an all know that he is a man of unquestioned integrity. Mr. Pate was treated a year ago for rheumatism and kidney trouble by Dr. Darrin, the eminent specialist, now at the Hotel Revere, Albany. To testify to the efficiency of the doctor's treatment, we interviewed Mr. Pate when he was in town Tuesday. He said "I had suffered for years with rheumatism and kidney trouble, much of the time being confined to my bed. Since being treated by Dr. Darrin a year ago, the trouble is cured and I have been entirely free from pain. As you can see, I have gained in flesh, look 20 years younger, am getting handsomer all the time and am beginning to worry for fear I shall be kidnapped by some old maid. Yes, Dr. Darrin's treatment was certainly successful in my case." The above statement was given by Mr. Pate, who is now in town. There is no fake about Dr. Darrin.
