The undertaking establishment NEW YORK'S NIGHT HAWKER

The Owl Cabmen Who Haunt Its Ten-Just where Broadway crosses Sixth avenue at Thirty-third street is to be found a dingy triangular little park plot in which a few gas stunted, smoke stained trees make a brave attempt to keep alive. On two sides of the triangle surface cars whirl restlessly, while overhead the elevated trains rattle and Wilson Drug Co. shrick. This part of the metropolis knows little difference between day and night, for the cars never cease, the are lights blaze from dusk until dawn, and the pavements are never wholly

empty. Locally the section is sometimes called "the Cabman's Graveyard." During any hour of the twenty-four you may find waiting along the curb a line of public carriages. By day you will sometimes see smartly kept hansoms, well groomed horses and drivers in neat livery. But at night the character of the line

devices and rate cards always missing. The horses are dilapidated, too, and the drivers, whom you will generally find nodding on the box or sound asleep inside their cabs, harmonize with their rigs. These are the night hawkers of the Tenderloin. The name is not an assur-ing one, but it is suspected that it has

changes. The carriages are mostly one horse closed cabs, rickety as to

wheels, with torn and faded cushions,

license numbers obscured by various

been aptly given.—Sewell Ford in "Horses Nine." When Colonel Robert G. Ingersoli was living in Peoria he was called upon one day by General John A. Logan, says the New York Times. The colonel was upstairs at the time, and Stage driver Fiddler charges a very solumes of Voltaire's works, an edition in the bookbinder's art. General Logan picked them up one at a time, ab-

sorbed in his admiration of their beau-ties. While so engaged Colonel Ingersoll entered the room. "Colonel," said the general, holding one of the volumes in his hands, "this ts the most magnificent volume I have ever seen. I do not want to seem impertinent, but would you mind telling

me what these books cost you?" "Those books." began the colonel, the twinkle in his eye growing brighter at each word, "cost me-the governorship of Illinois." Morally Certain of It. The prosecuting witness, who had a lump over one eye, a black and blue spot under the other, a nose that point-

arranged without any regard to their artistic effect, testified that the defendant had knocked him senseless and then kicked him in the head and face for several minutes.
"If he knocked you senseless," asked the police justice, "how do you know he kicked you after you were down?"

The witness scratched his jaw and ATS for sale by George Rowcliffe near Dallas. reflected. "I know it, jedge," he replied "'cause that's what I'd 'a' done to him if I'd got him down. You can bet on
