The Police Court.

The disgraceful trouble of W. Q. Elliott's wife and daughter were thoroughly aired in the Portland police court last week. Last Saturday Mr. Elliott had Atchison & McHardy, proprietors of the Club saloon here, arrested for harboring his wife, allowing his minor daughter in their saloon, and selling her liquor. The case came to trial Tuesday before Judge Stouffer, Oscar Hayter appearing for the city and J. N. Hart defending. The defendants were allowed to plead guilty to the charge of harboring a woman about their saloon, and the two other charges were dismissed, they each paying a fine of \$25. The public are by no means satisfied with the result. All saloons invariably deprave men, but surely women and children should be protected from degradation. Those who ought to know say that the saloons sell whisky on Sunday and that gambling goes on right along in and near the saloons. Are our officials using due diligence to detect and prevent said unlawful things?

Henry Schulson of Marion county has bought 100 acres of the Lynn farm on Salt Creek at \$4000.

Difficult Digestion

That is dyspepsia.
It makes life miserable.
Its sufferers eat not because they want to, but simply because they must.
They know they are irritable and fretful; but they cannot be otherwise.
They complain of a bad taste in the mouth, a tenderness at the pit of the stomach, an uneasy feeling of puffiness, headache, heartburn and what not.
The effective remedy, proved by permanent cures of thousands of severe cases, is **Hood's Sarsaparilla**.
Hood's Pills are the best cathartic.

A Remarkable Record.
Chumbe's Cough remedy has a remarkable record. It has been in use for over 30 years, during which time many millions of bottles have been sold and used. It has long been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as the croupy cough appears, it will prevent the attack. It is pleasant to take—many children like it. It contains no opium or other harmful substance, and may be given as confidently to a baby as to an adult. For sale by the Wilson Drug company.

Why can we not have the mail sent as the route was originally laid out by way of Polk, Smithfield and around by Salt Creek, instead of the reverse. Could there not be a compromise by sending it one way one day and the other the next, as is done on some rural delivery routes. It seems unfair after Polk and Smithfield worked for the route for other parties to get the greatest benefit from it.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery free by mail. Send a book that tells all about it absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y. on every bottle.
