Aching Joints

In the fingers, toes, arms, and other parts of the body, are joints that are inflamed and swollen by rheumatism—that acid condition of the blood which affects the muscles also.

Sufferers dread to move, especially after sitting or lying long, and their condition is commonly worse in wet weather.

"It has been a long time since we have been without Hood's Sarsaparilla. My father thinks he could not do without it. He has been troubled with rheumatism since he was a boy, and Hood's Sarsaparilla is the only medicine he can take that will enable him to take his place in the field." Mrs. Anna Dorr, Sidney, Iowa.

Deafness Cannot Be Cured.
By local applications as they do not reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out, and this tube restored to the normal conditions hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous services. We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. Hall's Family Pills are the best. Sold by druggists at 75 cents.—F. J. Cheney & Co., Toledo, Ohio.

Royal Month and Royal Disease.
Sudden changes of weather are especially trying, and probably to none more so than to the scrofulous and consumptive. The progress of scrofula during a normal October is commonly great. We never think of scrofula—its bunches, eruptions, eruptions, and wasting of the body substance—without thinking of the great good many sufferers from it have derived from Hood's Sarsaparilla, whose radical and permanent cures of this disease are enough to make it the most famous medicine in the world. There is probably not a city or town where Hood's Sarsaparilla has not proved its merit in more homes than one in arresting and completely eradicating scrofula, which is almost as serious and as much to be feared as its near relative, consumption.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also evidence that the kidneys and bladder are out of order.

What To Do.
There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y. on every bottle.

Roy-Southwick Wedding.
One of the prettiest weddings of the

season was solemnized by Rev. Winter at the home of Mrs. J. Southwick in Rickreall at high noon Sunday, when Miss Helen Southwick was united in marriage to Charles Roy, of Dallas. Miss Angeline Southwick played the wedding march and at 12 o'clock the bridal couple entered the parlor which was beautifully decorated with white and green, and in the presence of relatives and a few intimate friends, the ceremony was performed. The bride's gown was of gray and white and she carried a bunch of carnations. The dining room was tastefully decorated with pink and white flowers and green vines, where immediately afterward an elegant luncheon was served. Those present were: Mrs. J. Southwick, Mr. and Mrs. Tom McDowell, Misses Minnie, Dora and Ella Roy, of Dallas, Grace Burch, Angeline Southwick, Sybil McDowell, Claud Richardson, Blaine Southwick and Perry McDowell. WEDDING BELLS.
One of the most unique and delightful wedding occasions in Dallas for years was the marriage of Miss Laura Mae Brown to Herbert H. Dunkelberger at the home of the bride's mother at 4 o'clock Thursday afternoon, Rev. Joseph Hoberg, of McMinnville, officiating. The ceremony was received by Misses Canfield and Parrish, while Fred West and Chester Gates served as ushers. The double parlor was garlanded with autumnal leaves and fern arranged with exquisite taste. The guests greatly admired the arch made of white ribbon, autumn leaves and fern, the connecting link being a lovers' knot of white ribbon. The wedding march was played by Miss Bessie Butler and the happy couple were attended by Miss Clarice Brown and Dan Poling. The bride was dressed in white crepe de chine and carried white carnations, and the groom wore conventional black. After congratulations the guests were ushered into the dining room which was handsomely arrayed in green and white. The lunch consisted of ice cream, cake, chicken salad and punch. With the admiring company seated around the table in the center of the room, the two wedding cakes being upon it and a handsome Indian basket filled with fern suspended above it. As they sliced the cakes it was passed to the guests by Misses Flora McCallon and Effie Plunkinton. On a table in the hall, wrapped in silver foil, were generous bits of bride and groom cake for each one present. At first o'clock the joyous pair took a carriage for Salem enroute to Portland and up the Columbia on a short wedding trip. She has been a valuable member of the Methodist church, always ready to lend a helping hand and having served as usher for three years. He is a popular teacher in Dallas college and has taken a prominent part in the young people's societies. The invited guests were: Rev. Jas. Moore and wife, Rev. A. A.
