parents, 28.

DALLAS BUSINESS HOUSES.

They say that Gaynor's shoe store never before bad a more attractive assortment of footwear. Every want of every member of every family has been provided for.

You will make no mistake in going to the Wilson drugstore for everything in that line. You will find the goods of high grade and cheap enough. They have a new disinfectant that beats anything of previous make and their rat biscuit will stretch out the pests every time.

Mr. Kerelake bought a bankrupt stock of framed pictures and picture frames very low and is selling them cheaper than anything bought in the regular way., About sixty from which

The Sal m stage connects with the 11 o'clock south bound passenger train

Ladies come from Monmouth to buy millinery of Mrs. Chace because her stock has the reputation of giving such general satisfaction. Taste and skill account for it.

Mr. Faull, the hardwareman, can Rev. T. A. Green, of California, will preach at the Baptist church next sunday morning and evening.

Mr. Faull, the hardwareman, can tell in an instant whether he has a desired article. He has a place for everything and everything in their place A peep at his stoves will convince you that he is fully prepared for a big trade and will send away many pleased customers. His tinsmith is always busy making things in that line. His can be made as sharp as a razor.

> If intending to mark the resting place of some loved one with a mar-ble shaft consult with Marble Cutter Hawkins in Dallas.

Flour made at the Dallas mill is in as good as any made anywhere else in the state and Polk county people should use it.

the things to be had at Risser's gun store. He can probably make your broken umbrella as good

Miss Collins, the milliner, has so well pleased so many Polk county ladies in the matter of head dress as to have an excellent seasons run and many are still buying there.

It is generally admitted that Dunn's grocery store is a firstclass one. They consider the best none too good for their customers and sell at live and let live prices.

The grass seeds being sold at Ullry's feed store, are proving very popular and farmers from all around are still buying them. He keeps poultry

and stock feed of all kinds.

SALEM TRADEWINNERS. It is high time to order photographs for Christmas presents. Of course

porcelain are being closed out at clearance sale prices by the Yokoha-ma Tea Co. Vegetable dishes at half price. Price their much bowls.

Dr. Keeler, the veterinarian, is daily curing all kind of sick animals for people around and can most likely save yours. Ask for him at the steel bridge feed yard.

We eat at the George lunch counter because they give satisfaction,

Others may blow and others may crow but they must get up powerful early to get ahead of the Johnson clothing house. Said firm makes little noise but the goods that always

The Capital soap works always ain to make their products a little better than seems necessary, but they invariably get their money back through increased patronage.

The New York Racket store people feel mighty proud because they are having such a fine trade. They say their boys suits and overcoats are as near boy proof as anything can be made, and their clothing for men running high in all the rooms, and could not be be better for the price. e-pecially in the eighth grade, where Their prices on drygoods astonish all

A tricky undertaker always imposes Staats by the county court for the library by the county court for the library with him. A. M. Clough has won the reputation of always doing the fair thing by everybody.
