Storing Up Christmas Surprises.

Do not imagine it is one bit too early to make Christmas selections now. On the contrary, the advantage of early selection is so well understood by many discreet buyers that we already have a number of packages tucked away in our safe, "to be called for the day before Christmas." Is not that a hint you might profit by. You can choose now without the haste and flurry of later on; you can select from the full, complete new Christmas stock, before many others have had a chance at it; and we will lay your purchase aside and keep it for you until the week before Christmas, when you can call and pay for it and carry it home. Think this over, please. The Barr Christmas display is all ready and waiting for you.

RUTS

The walking sick, what a crowd of them there are! Persons who are thin and weak but not sick enough to go to bed.

"Chronic cases" that's what the doctors call them, which in common English means—long sickness.

To stop the continued loss of flesh they need Scott's Emulsion. For the feeling of weakness they need Scott's Emulsion.

It makes new flesh and gives new life to the weak system.

Scott's Emulsion gets thin and weak persons out of the rut. It makes new, rich blood, strengthens the nerves and gives appetite for ordinary food.

Scott's Emulsion can be taken as long as sickness lasts and do good all the time.

There's new strength and flesh in every dose.

We will be glad to send you a few doses free.

Be sure that this picture is the form of a label on the wrapper of every bottle of Emulsion you buy.
