All Humors

Are impure matters which the skin, liver, kidneys and other organs can not take care of without help, there is such an accumulation of them. They litter the whole system. Pimples, boils, eczema and other eruptions, loss of appetite, that tired feeling, bilious turns, fits of indigestion, dull headaches and many other troubles are due to them.

WHAT THEY HAVE TO SAY ABOUT THE DOINGS IN THE COUNTY.

An Unequaled and Complete Re-creation of What Your Friends are and Have Been Lately Doing.

Journal of Oregonian. Either of them alone or the Itemizer would cost you \$1.50 a year, but we have made a combination by which you can get this paper and either of the Portland papers a year for \$2. The home paper would give you all the county news and either of the others that of the state and world. Those who desire to keep posted must read current newspapers, there being nothing that can take their place. Tell your neighbors about this attractive offer.

Welcome as Sunshine after a long storm is a feeling of relief when an obstinate, pitiless cold has been driven away by Allen's Lung Balsam. Only people who have been cured of throat ache and sore lungs by this remedy can quite realize what the feeling is. There is no opium in the Balsam; its good effect is radical and lasting. Take a bottle home today.

Doing the Right Thing. The trouble begins with a tickling in the throat and a nagging little cough. Soreness in the chest follows and the patient wonders if he is going to have an all winter cold. Probably if he does the wrong thing or nothing. Certainly not if he uses Perry Davis' Painkiller, the staunch old remedy that cures a cold in twenty-four hours. There is but one Painkiller, Perry Davis.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out. Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also evidence of kidney trouble; a convincing proof that the kidneys and bladder are out of order.

What to Do. There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidney, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant condition of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells you more about it, both sent absolutely free by mail, address Dr. Kilmer & Co., 107 N. Broadway, New York, N. Y. When writing mention reading this generous offer in this paper.

Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y. on every bottle.

Discriminating Ladies. Enjoy Using Herpelde on Account of Its Distinctiveness. The ladies who have used Newbro's Herpelde speak of it as the highest term for its quick effect in cleansing the scalp of dandruff and also for its excellence as a general hair-dressing. It makes the scalp cool and it kills the dandruff which causes itching. Newbro's Herpelde effectively cures dandruff, as it destroys the germ that causes it. The same germ causes hair to fall out, and later baldness; in killing it, Herpelde stops falling hair and prevents baldness. It is also an ideal hair dressing for it ends an annoying charm to the hair that is quite distinctive. Sold by leading druggists. Send 10c. in stamps for sample to The Herpelde Co., Detroit, Mich.
