

THE POLK COUNTY ITEMIZER

DALLAS, FRIDAY, APR. 8, 1904.

W. A. WASH, EDITOR AND PROPRIETOR.

In Mondays Statesman Ex-Governor Geer said:

"Speaking about clean journalism, what an ideal paper would be the product of a partnership between Mr. Bath, of the Hillsboro Independent, and Mr. Wash, of the Polk County Itemizer."

If condemning everything bad and upholding all that is good be clean journalism we plead guilty.

Not unfrequently nominations are virtually made at the primaries. Some unworthy aspirants could never get a nomination if their merits were left to come before an open convention.

Drainage and gravel are the two great needs of most bad roads.

The congressional fight in this district will be between Hermann and Harris, the friends of each man feeling sure that he has the best chance for nomination at the Salem convention next week.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers. They filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits.

Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
