ROYAL Baking Powder

Makes the food more wholesome, and more nutritious to both brain and muscle.

I have given the Training Table to the Cornell University for five years very satisfactorily, and am certain that much of the success has depended upon the quality of articles used. In baking powder, I use the Royal, for it is undoubtedly the best. I have occasionally given others a trial, and have demonstrated to my satisfaction that there is but one always reliable, always making perfect, delicious and wholesome food,—The Old Reliable "Royal."
