

THE POLK COUNTY ITEMIZER

DALLAS, FRIDAY, APR. 29, 1904.

W. A. WASH,
EDITOR AND PROPRIETOR.

See editorials on first page

The West Side said the republicans put up a clean ticket, but had nothing to say as to its merits otherwise and yet insisted that the whole of it should be elected. We opine that the general public will find unclean and unworthy habits in some of them, and that a number of republicans will consider their democratic opponents as more deserving of the office sought. Some of the press and some of the party leaders may try to whip into line the kicking republicans in the county but this is sure to be an off year in that matter. The more force and the more persuasion that is resorted to the less inclined will they be to go it straight. They have been grossly mistreated and will not fail to resent it.

E. N. Hall and family, have moved from Buena Vista into the Conkey property. They will make a valuable addition to Dallas society.

The generally expressed opinion is that J. E. Sibley was the author of the badly spelled writups of the two political conventions in the Observer.

A. B. Clark, candidate for joint representative on the democratic ticket for this and Lincoln county, is a native of Michigan and came west in 1895. He is editor and publisher of a paper called Vim, and located at Elk City. He says that he is a democrat through and through, but that he did not seek the nomination, given him. He hopes to meet the people of this county at some public gathering during the campaign.

That Tired Feeling

Is a Common Spring Trouble. It's a sign that the blood is deficient in vitality, just as pimples and other eruptions are signs that the blood is impure.

It's a warning, too, which only the hazardous fail to heed.

Hood's Sarsaparilla and Pills

Remove it, give new life, new courage, strength and animation.

They cleanse the blood and clear the complexion.

Accept no substitute.

"I felt tired all the time and could not sleep. After taking Hood's Sarsaparilla a while I could sleep well, and the tired feeling had gone. This great medicine has also cured me of scrofula." Mrs. C. M. Root, Gilead, Conn.

Hood's Sarsaparilla promises to cure and keeps the promise.

I Stood in a Draft

With my coat off and caught this wretched cold, says the sufferer. He need not pay a heavy penalty if he follow his act of folly with an act of wisdom. Soak the feet in hot water with a few teaspoonful of Perry Davis' Painkiller in it. Take a teaspoonful of Painkiller in hot sweetened water at bed time and be thankful for so simple and speedy a way to break up a cold. There is but one Painkiller, Perry Davis'.

SALEM'S IN IT.

The O. K. Pharmacy at 333 Commercial street always carries a full line of fresh drugs and new goods. First door south of Damon Bros. grocery store.

We have often wondered how it was that G. W. Johnson and sons managed to know in advance so nearly what was in the clothing line. The fact is that over twenty years close attention to that particular business in the one place has made them know it. There is no better clothing store in the valley.

Mr. Gilliam of the livery stable near the Willamette hotel, was raised in Polk county and would be glad to see his boyhood friends when in the City.

Ladies have you seen the new millinery just received by Mr. Chase. Some of it is a little ahead of anything that has ever before come to town. Go and get your pick of the pretty things.

The spring and summer styles of footwear at Gaynors store are in all respects up to date and you would be sure to find there what will please you.

Try Ullrey's flour and you will want no other. Use his chicken feed and you will consider it good enough. His hay is the best in the market. Examine his stock and poultry medicines.

All standard garden and field seeds are kept at Faulstich's store and so are the best made wagons, buggies and carriages. When you want anything made of tin or sheet iron see his tinner, Henry Neis about it. Large stock of stoves and ranges from which to select. All tools used by gardeners and carpenters.

Mrs. Hester Glen and children are here visiting her parents, Mr. and Mrs. Wm. Reid. Her husband died at Elma, Washington, on the 10th of this month from the effects of lagrippe.

Toward morning they were placed in the cooler and later each made the police judge a present of \$5. Nothing Equal to It.

"We have used Chamberlain's colic, Cholera and Diarrhoea remedy in our family for years," says Mrs. J. B. Cook of Nederland, Texas. "We have given it to all our children. High Pressure Days.

Men and women alike have to work incessantly with brain and hand to hold their own nowadays. Never were the demands of business, the wants of the family, the requirements of society, more numerous. The first effect of the pressure is to keep up with all these things is commonly seen in a weakened or debilitated condition of the nervous system, which results in dyspepsia, defective nutrition of both body and brain, and in extreme cases in complete nervous prostration. It is clearly seen that what is needed is what will sustain the system, give vigor and tone to the nerves, and keep the digestive and assimilative functions healthy and active. From personal knowledge, we can recommend Hood's Sarsaparilla for this purpose. It acts on all the vital organs, builds up the whole system, and fits men and women for these high pressure days.

Thousands Have Kidney Trouble and Don't Know It.

How to Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidney, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail, address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper.

Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y. on every bottle.

APPEARING OLD

Acts as a Bar to Profitable Employment.

You cannot afford to grow old. In these days of strenuous competition it is necessary to maintain, as long as possible, a youthful appearance. It is impossible to do this without retaining a luxuriant growth of hair.

The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness. Newb's Herpicide is the only known destroyer of this pest, and it is as effective as it is delightful to use.
