SUVER.

All stock in good condition. Plowing and seeding finished. Not many politicians around yet. Weather cool and but little gardening done. We farmers propose to support the best men in the field. A. H. Simpson has bought the store and property of J. M. Larsen. The frost nipped some pear and apple trees but left enough for a good crop.

All Humors

Are impure matters which the skin, liver, kidneys and other organs can not take care of without help, there is such an accumulation of them. They litter the whole system. Pimples, boils, eczema and other eruptions, loss of appetite, that tired feeling, bilious turns, fits of indigestion, dull headaches and many other troubles are due to them.

Hood's Sarsaparilla and Pills

Remove all humors, overcome all their effects, strengthen, tone and invigorate the whole system. "I had salt rheum on my hands so that I could not work. I took Hood's Sarsaparilla and it drove out the humor. I continued its use till the sores disappeared." Mrs. I. A. Brown, Rumford Falls, Me. Hood's Sarsaparilla promises to cure and keeps the promise.

RIGS

THAT RUN

We are showing the best assortment of buggies, driving wagons and vehicles of every sort that has ever graced the floor of this old reliable implement house. There are the very popular cushion tired runabouts in all grades, the hard rubber tired rigs, the hacks, surreys, and delivery wagons. Call and see them.

WHAT THEY HAVE TO SAY ABOUT THE DOINGS IN THE COUNTY.

An Unequalled and Complete Resume of What Your Friends are and Have Not Lately Doing.

Journal of Oregonian.

Either of them alone or the Itemizer would cost you \$1.50 a year, but we have made a combination by which you can get this paper and either of the Portland papers a year for \$2. The home paper would give you all the county news and either of the others that of the state and world. Those who desire to keep posted must read current newspapers, there being nothing that can take their place. Tell your neighbors about this attractive offer.

COUNTY SEAT SHORT STOPS.

Gaynor's shoe store is now ready to supply everything that may be wanted for spring and summer wear by parents, grandparents or children. High quality and low price.

The clearance sale of pattern hats at Mrs. Chace's drew many ladies there and many of them went away pleased at finding exactly what they wanted. Her stock is constantly being replenished.

As a hardwareman Wm. Faull cannot be excelled in these parts. His stock is so complete, of such superior quality, and so moderate in price that patrons always go away well pleased. He is selling lots of building material these days and not a few vehicles and farming implements are being sent out. Go to Faull's when you want to get any and all kinds of hardware.

Try a sack of that flour at Ullrey's and you will want some more of it. His stock and poultry feed are the best to be had. Try some of it and you will be pleased.

They do say that Charlie Morris the jeweler, is quick to find out what you want and not slow in furnishing whatever the public want in his line. Ask to see his new goods.

Picture taking supplies of all sorts at Wilson's drugstore and some musical instruments. Ask to see their ready prepared paints. They have a variety of oils and inks, pens, pencils and writing paper to please everybody. Medicines of all kinds ever prescribed by our doctors.

The new goods just received by Miss Collins, the milliner, are proving to be just what the ladies were waiting and wishing for. She will procure enough to fill all orders.

Nearly all who pass the marble shop of G. L. Hawkins, speak of the beauty of his many sample tombstones and monuments. Go and ask the price.

Fiddler's stage is daily loaded with things from Salem.

Gunsmith Bieser feels happy because the people keep him busy selling things in his line. Sharpening tools and repairing all sorts of things. Are your locks and keys bothersome.

The ladies should remember that Mrs. Metzger's is the best place to get all kinds of furnishing goods for women and children. She wants to show you the goods whether you buy or not.

All who trade at Kerslake's furniture store express themselves as pleased with his goods and the prices. Advise your neighbors to try him. You can depend on what he says.

As satisfactory team as we ever drove out of Dallas we got at Fuller's stable last week. The hostler had them hooked up promptly and they quickly got over the ground.

SALEM DROPS OF INK.

Tom Cronise the skillful and popular artist has bought back the gallery over Dulymple's store and is again, ready to make fine graduating pictures for both town and country schools.

Emil Koppe in Y. M. C. A. building, has a fine assortment of clothing for men and boys, and has for sale or makes to order all kinds of lounge and table covers.

Many merchants mark their goods high enough to mark them down for special sales and still make a good margin of profit. The New York Racket people mark everything down to bottom prices at the beginning. See their straw, crash and felt hats for spring wear. Big shipment of glove fitting corsets just arrived.

Porto Rico coffee of fine color, flavor and strength at Yokohama tea store. Try a pound and you will want more. They have teas inferior to none on earth. Table ware at greatly reduced rates.

Most farmers take lunch with George Bros. on State street: cost only 20 cents.

The Gilliam & Johnson livery stable gets a big per cent of the Polk county trade and deserves it.

For trunks, suit cases and fine foot wear, always go to the Johnson Clothing company. They have some elegant socks and handkerchiefs and their neck wear is hard to beat. Working clothes, business suits and something better still for Sunday wear or wedding occasions. They sell lots of goods to Polk county people.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Pain, achiness and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Do not make any mistake, but remember the name, Swamp-Root, and Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y. on every bottle.

THE PEOPLE ALL In Chorus Cried, Give Us Newbro's Herpicide. This word of late has been in everybody's mouth, and many are wondering what the word signifies, though no one has yet been found, who will deny that NEWBRO'S HERPICIDE does the work. Weled for the information of thousands of people who like to know all about a good thing, we would say that HERPICIDE means, a destroyer or killer of "Herpes." "Herpes" is the family name of a disease caused by various vegetable parasites. A similar microbe causes dandruff, itching scalp, and falling hair; this is the microbe that NEWBRO'S HERPICIDE promptly destroys; after which the hair grows, and sheds by leading druggists. Send Me, in stamps for sample to The Herpicide Co., Detroit, Mich.
