The nation has gone overwhelmingly republican, all the northern states and even Missouri from the solid south going for Roosevelt. Oregon has gone that way to the tune of about 40,000 majority. Mr. Roosevelt is today the most popular sovreign onearth The people have said that regardless of party lines they approve of what he has done and have faith in what he will do. But the democratic party is not dead, neither will it die for it represents too many principles that are dear to mankind. Prohibition has carried in Benton, Coos and possibly Lincoln, Tillamook and Yambill counties. Had it been purely a local option contest the temperance cause would have received twice as many votes, but in their eagerness for quick broad cast results, the prohibitionists of Oregon have done their cause far more harm than good. The socialists polled a surprisingly strong vote in this state.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, biadder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best.
