Mrs. Dewey's Experience.

SHE WAS CURED WITH ELECTRICITY AFTER ALL OTHER METHODS HAD FAILED. DR. DARRIN REMAINS AT HOTEL GAIL, DALLAS, UNTIL DECEMBER 23RD.

Unseen forces are more powerful than seen ones. Electricity performs cures silently but surely. To this many thousands that have been cured can testify. Many who know nothing of it oppose it; but truth always meets with fierce opposition, which in the end only hastens the victory. We do not profess to understand this unseen power, but joyfully except the great boon of health, feeling that Dr. Darrin is ahead of the age, and is showing to the world this new method of cure. As an example, we append Mrs. Dewey's card:

To the public: I was a patient under Doctor Darrin's care eight years ago and wish to relate my experience that others may benefit by it. For many long years I had been afflicted with diseases peculiar to my sex, accompanied with pain in my chest, heart and stomach. I had lost flesh until my weight was 105 pounds. After a few months' electrical and medical treatment by Dr. Darrin, I recovered my health and gained 40 pounds, and am now enjoying good health.

MRS. F. E. DEWEY,
386 Davis street, Portland.

Adolph Wunder, a German Citizen, Relates His Experience.

To the Hotel Gail, Dallas. After reading and hearing of so many cures by Dr. Darrin, I concluded to try him for deafness in one ear, although I had little faith in his mode of treatment by electricity. On my way to his office I could not hear the noise of the street car or wagons rolling over the stone pavements. After treatment I am able to hear without difficulty the church services, the ticking of a watch or a pin drop, and all sounds of life. I wish you to publish this, as it may give others courage to have the new treatment. I consider the cure little short of a miracle. My address is 205 Morris street, Upper Albina, Or.

Adolph Wunder.

We regret to announce that Dr. Darrin's stay in Dallas is limited to December 23, only, and parties wishing to consult this famous physician should do so at once. He has made many wonderful cures in this vicinity, as the testimonials heretofore have shown.

Dr. Darrin can be consulted free at his office, from 10 to 5 daily; evenings 7 to 8; Sundays 10 to 3. Charges reasonable. He makes a specialty of all diseases of the eye, ear, nose and throat, catarrh and deafness, bronchitis, laryngitis, consumption, dyspepsia, heart liver and kidney diseases. All nervous, chronic and private diseases of men, and all peculiar female troubles are confidentially and successfully treated. Most cases can receive home treatment after a visit to the doctor's office. All business relations with Dr. Darrin strictly confidential.

EDITORIAL ENDORSEMENT.

The following is from the editor of the Gold Hill News, and goes far to substantiate the claims of Dr. Darrin now at the Hotel Gail, Dallas. Mr. Carey's cure has created great excitement among the deaf afflicted in Ashland. Mr. Carey's cure was witnessed by Mayor Geil, of Ashland.

He Can Hear a Whisper.

(Gold Hill News.)
One of our friends and subscribers, Mr. C. Carey, of Sam's Valley, has been losing his hearing for about a year. He visited the "News" office a few months ago, and the subject of treatment for his malady came up when we recommended Mr. Carey to visit Dr. Darrin's visit to Southern Oregon. Mr. Carey visited the doctor at Ashland, and was so much benefited that before leaving the doctor's he could hear a whisper. Such cures are wonderful, yet this one is undoubtedly true. Mr. Carey said he had treatment from a number of physicians and spent all he had in paying doctor bills, and so informed Dr. Darrin, who kindly consented to treat him free of charge, which was magnanimous of the doctor.

A Dallas Lady's Experience.

To the Public: My daughter, ten years old has been sorely afflicted the past eight years with deafness and discharging ears. Through Dr. Darrin's electrical and medical treatment I am happy to say she can hear about as well as any one, and the discharge of the ears has stopped. I can recommend Dr. Darrin at Hotel Gail. I will answer all questions by letter or in person at my residence on Court street, Dallas, where I have lived fourteen years. Mrs. Nellie B. Baird.

FROM SOUTHAFRICA.

New Way of Using Chamberlain's Cough Remedy.

Mr. Arthur Chapman writing from Durban, Natal, South Africa, says: "As a proof that Chamberlain's Cough Remedy is a cure suitable for old and young, I pen you the following: A neighbor of mine had a child just over two months old. It had a very bad cough and the parents did not know what to give it. I suggested that if they would try a bottle of Chamberlain's Cough Remedy and put some upon the dummy that the baby was sucking it would no doubt cure the child. This they did and brought about a quick relief and cured the baby. This remedy is for sale by Wilson Drug Co.

Mrs. Richmond and her daughter, Mrs. Minnie Holman, were registered at the Cottage hotel in Salem Friday evening.
