Eightleth Birthday Dinner.

On Wednesday November 30th 1804 W. C. Brown reached the ripe ge of eighty and celebrated the ent by inviting all residents of Dallas over 70 years old to take dinner with him at the Cottage hotel. There were about 70 on the list but some were unable to be there. Mr. and Mrs. Harry Dunn who are running the hotel prepared as fine a dinner as any of the party ever sat down to and to say that the old folks enjoyed it is too mild an expression. Before dinner they assembled and Photographer Cherrington took a group picture of them. Mr. Brown was never happier in his life and his guests will never forget that meeting. Some of them are almost worn out but many are still quite spry. The wives of all men over seventy were invited with them We give the names of only those be yond seventy as follows: Mrs. Eliza Emmons 87, E. R. Cotler 89, Mrs. F. A. Volunteer correspondence always welcome from all over the county. If your neighborhood has been neglected, you are invited to send the news from there,

The Stricken Rose From Grief. What a fortunate provision of nature is, that deprives the rose of mental suffering; for how polynant would be its plooming giory, that a canker fed at its heart, and that its beauty and fragrance were doomed forever. Nature always spares the suffering; she is a veritable store-house of pleasing rewards, for those who seek her aid. In the years gone by falling hair and grayness have cast a gloom over the lives of thousands of young women, but thanks to the in-vestigations of scientists the true cause of hair destruction is now known to be a germ or parasite that burrows into the hair follicles. Newbro's Herpicide absolutely destroys this germ, thus permitting the hair to grow as na-ure intended. Sold by leading drug-gists. Send 10c, in stamps for sample to The Herpicide Co., Detroit, Mich.
