Dr. Darrin's Treatment A STARTLING ILLUSTRATION OF WHAT CAN BE ACCOMPLISHED BY ELECTRICITY

This is the First Visit of the Head of the Firm of Drs. Darrin to This

The philosophy of his treatment may be briefly stated thus: Force is spirit in motion. Vital force is organ-ic motion, or the proper movement of organized particles as they pass to and from the human system. Disease, in a word, is obstruction—the result of an impaired vital force, and it is at least accompanied if not caused, deranged organic motion. These de-rangements can only be effected by calling in the aid of the electro-magnetic or vital forces, which are concerned in all organic changes. So powerful is this influence, that persons who have many years suffered, have been restored to health in an almost incredible space of time. Dr. Darrin's system will not restore a lost member of the body, or perform other impossibilities, but it will, in a major-ity of cases, give relief where other remedies have failed. The practice is based on the most strict laws of science, and is in harmony with all natural consult Dr. Darrin concerning her laws. Physicians of every practice deafness.
