No other medicine acts like it; no other medicine has done so much real, substantial good; no other medicine has restored health and strength at so little cost.

Judge Bellinger, who was perhaps the most important man in the state, died last week in Portland. He was raised near Salem and had held many positions of trust and honor. Some other federal judge will be selected to try the land fraud cases in which Mitchell and Herman are mixed up. United States Marshal Matthews, who has posed as the republican boss of Oregon for several years, has been deposed and a better man C. J. Reed put in his place. It had become evident that Mr. Matthews was too much in sympathy with the big land fraud politicians. President Roosevelt wants out of the way every obstacle that would tend to prevent turning the rascals of all degrees out.

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspaper is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been used in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all orders of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer. In this paper and send your address to Dr. Kilmer & Co., Birmingham, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

THE GREAT FAMILY MEDICINE

Theodore's Black-Draught comes nearer regulating the entire system and keeping the body in health than any other medicine made. It is always ready in any emergency to treat ailments that are frequent in any family, such as indigestion, biliousness, colds, diarrhoea, and stomach aches.

Theodore's Black-Draught is the standard, never-failing remedy for stomach, bowel, liver and kidney troubles. It is a cure for the domestic ills which so frequently summon the doctor. It is as good for children as it is for grown persons. A dose of this medicine every day will soon cure the most obstinate case of dyspepsia or constipation, and when taken as directed brings quick relief.

DANVILLE, ILL., Dec. 23, 1905. Theodore's Black-Draught has done our family a great deal of good. We have used it when any of us feel badly we take a dose and are all right in a few hours. We have saved lots of money for doctor bills and got along just as well as with Black-Draught. IRA H. RADSHI.

Ask your dealer for a package of Theodore's Black-Draught and if he does not keep it send to The Chattanooga Medicine Co., Chattanooga, Tenn., and a package will be mailed to you.
