FALLS CITY.

The other day we went out there on the morning flyer and came back on the evening express. The road bed is in excellent condition and the farmers along the way were busy as bees. Crops as everywhere else showed the effects of too much cool weather. Many wooded lands a few years ago are now under cultivation or in grass. A mere mention of the old Lee, Guthrie and Gilliam places will bring up many memories to those of pioneer times. For lack of work in connection with the sawmills the town is now rather dull, but better times are sure to come again. The Bryan & Lucas mill is to be moved to a more convenient location where a fine body of timber will be tributary to it. They own the Teal mill which is now being run to fill special orders. Almost every train takes away lumber or piling to California and other distant places. The town is well supplied with stores of different kinds and has more saloons than are for the good of the community. There are four churches and a good school house on rightly ground. T. D. Hollowell garden and berry patch along the slope of the hill north of the main street is one of the chief institutions of the place. He has 9000 strawberry vines growing, including half a dozen good varieties, and will sell several hundred crates this season, and his market garden will furnish many a home. He is utilizing ground that many considered as almost worthless. His little oat field and cabbage patch show the good effect of fertilizing. He can give not only his neighbors but farmers around valuable pointers on how to make things grow. Falls City has a romantic and attractive location and quite a number of nice looking homes. In years to come the town will have become a place of beauty and the home of many more people. We rode on the engine to the end of the track on the railroad extension. The new road is being made in the most substantial manner and the four miles extension will be completed in August, there being four strong bridges within that distance. About fifty men are employed in various capacities along the way. Near the track half a mile above Falls City is a great mountain of semi-granite which may some day be used for graveling public roads in different parts of the county. The road will extend into a large body of very fine uncut timber and before winter train loads of saw logs will be taken from there to wherever wanted. The scenery along the new track would please anybody and the trout-fishing along the adjacent stream would prove an anglers delight.

That Tired Feeling

Is a Common Spring Trouble.
It's a sign that the blood is deficient in vitality, just as pimples and other eruptions are signs that the blood is impure.
It's a warning, too, which only the hazardous fall to lead.
Hood's Sarsaparilla and Pills
Remove it, give new life, new courage, strength and animation.
They cleanse the blood and clear the complexion.
Accept no substitute.
"I felt tired all the time and could not sleep. After taking Hood's Sarsaparilla a while I could sleep well and the tired feeling had gone. This great medicine has also cured me of scrofula." Mrs. C. M. Root, Gilsum, Conn.
Hood's Sarsaparilla promises to cure and keeps the promise.

Just What Everyone Should Do.

Mr. J. T. Barber, of Irwinville, Ga., always keeps a bottle of Chamberlain's Colic, Cholera and Diarrhea Remedy at hand ready for instant use. Attacks of colic, cholera morbus and diarrhea come on so suddenly that there is no time to hunt a doctor or go to the store for medicine. Mr. Barber says: "I have tried Chamberlain's colic, cholera and diarrhea remedy which is one of the best medicines I ever saw. I keep a bottle of it in my room as I have had several attacks of colic and it has proved to be the best medicine I ever used. Sold by Wilson Drug Co."

Rose Fair Premiums.

The rose fair by the Methodist ladies was largely attended and the program each evening greatly enjoyed. The premiums for the first and second best ten varieties were awarded to Mrs. J. D. Smith and Mrs. Magers. For collection of five varieties the awards went to Mrs. J. L. Collins and Miss Jessie Wiseman. Mrs. Casey had the best and Miss Pollock the second best red roses while Mrs. Sibbey and Mrs. Claud Dunn excelled in the yellow kind. Mrs. Caldwell and Mrs. N. Hughes walked off with the pink premiums and it was thought that Mrs. Claud Dunn and Miss Pollock exhibited the nicest white ones.

Benton Embree Dead.

Engene Hayter received a telegram Monday from Siskiyou county, California, saying that his uncle Benton Embree, had just died at some mineral springs there. He was born in Missouri in 1842, and two years later crossed the plains with his father, C. D. Embree, who settled just this side of Rieckrell. The other five children raised there, Thomas, Marcus, John, Mrs. Mary Hayter and Mrs. Alice Dempsey, are all now residents of Dallas. Years ago Bent, Embree and Wesley White went to Wallow county to engage in stock raising. He came back here and bought the Mt. Pisgah farm of 1,200 acres, which he after sold to Jas. Elliott. Then he and Jas. Morrison bought the Mill creek flouring mill which they afterward moved to Sheridan. In 1886, he, Harry Holman, Jim Edgar, George West, Joe Bunce and Wm. Dunlop went to Harney county where until within the last year he had mostly lived.

Aguarantee Cure for Piles.

Illness, blind, bleeding, or protruding piles. Druggists refund money if Pazo Ointment fails to cure any case no matter how long standing, in 6 to 14 days. First application gives relief and cost 50 cents. If your druggist hasn't it send 50 cents in stamps and it will be forwarded postpaid by Paris Medicine Co., St. Louis, Mo.

Poling Lecture.

Rev. Daniel A. Poling, of Canton, Ohio, the first graduate from the classical course of Dallas college, will deliver a lecture on Saturday night in the Evangelical church on William McKinley. Mr. Poling has during the past year lived in Canton, the home of our martyred president, and thus had an opportunity to glean much fresh and interesting material with reference to the great man he so vividly portrays. Miss Elizabeth M. Pollock will render one of her patriotic readings, and several musical numbers will add to the interest of the evening's entertainment. An admission of 25 cents will be charged to aid in defraying the expenses of Commencement week. All the other exercises of the week will be free.

Wagner Bros. have sent to the fair an improved buggy bed with metal corners.
Thomas Lucas, who came west in 1830 and was the original owner of part of the townsite of Monmouth, came down Wednesday to have his picture taken for Cherrington's group of 100. He is over 80 years old.
M. J. Pickett, a Newburg attorney, and Miss Persephone, daughter of Hon. N. L. Butler and wife, of Dallas, were married at noon yesterday by Rev. James Moore and took the afternoon train for Portland. Particulars next week.
T. J. Cherrington now has 100 pictures of Polk county people all over 70 years of age. Next week he will group them in a large frame and send it to the Portland exposition to show what a healthful country we have. Among them is Jim Pierce, a well known Indian of Grand Ronde.
John L. Shelton, of Castagnere, and his brother, Jim, of Sumpter, are here on account of the serious illness of their mother, who is 87 years old. Mrs. Malinda Fryor could not come from Woodlawn, California. The three other children, Wm., Ev., and May, live here.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes. The kidneys are your blood purifiers, they filter out the waste or poisons from the blood. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble. If you are sick you can make no mistake but first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Koot, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits. Write for free literature and find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

Do not make any mistake, but remember the name, Swamp-Koot, Dr. Kilmer's Swamp-Koot, and the address, Binghamton, N. Y. on every bottle.

FRY'S CURE FOR
CROUP AND
CONSUMPTION

This great stock medicine is a money saver for stock raisers. It is a medicine, not a cheap food or condition powder. Though put up in coarse form, than Theodor's Black-Draught, renowned for the cure of the digestion troubles of persons, it has the same qualities of invigorating digestion, stirring up the torpid liver and loosening the constipated bowels for all stock and poultry. It is carefully prepared and its action is so healthful that stock grow and thrive with an occasional dose in their food. It cures hog cholera and makes hogs grow fat. It cures chicken cholera and roup and makes hens lay. It cures constipation, distemper and colds in horses, murrain in cattle and makes a draught animal do more work for the food consumed. It gives animals and fowls of all kinds new life. Every farmer and raiser should certainly give it a trial. It costs 25c. a can and saves ten times its price in profit.

PITTSBURG, KAN., March 25, 1904.
I have been using your Black-Draught Stock and Poultry Medicine on my stock for some time. I have used all kinds of stock food but I have found that yours is the best for my purpose.

Cuban Diarrhoea.
U. S. soldiers who served in Cuba during the Spanish war know what this disease is and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs, of Houston, Texas: "I hereby certify that Chamberlain's colic, cholera and diarrhoea remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine. For sale by Wilson Drug Co."

For Over Sixty Years.
An old and well tried remedy. Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. 25 cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind.

Mrs. Robt. Hayes received the sad news of the death of her grandson, and she expects her son from Wisconsin soon.

Catarh Cannot be Cured
With local applications, as they cannot reach the seat of the disease. Catarh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarh cure is taken internally and acts directly on the blood and mucous surfaces. Hall's Catarh cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarh. Send for testimonials.—F. J. Cheney & Co., proprietors, Toledo, Ohio. Sold by druggists at 75 cents. Take Hall's family pills for constipation.
