Advertisers invariably have the advantage of those who do not let the public know what they are doing or want to do.

When you have stock of any kind or sale or want to buy anything it will pay to let it be known through the Itemizer.

Humbags and fakes of various kinds continue to come along and people continue to bite at them, especially those of a medical nature.

Nearly all who advertise under our heading New Today have their wants met. If you wish to buy or sell anything try it and be convinced that printer's ink pays.

The Itemizer wants additional correspondence from every neighborhood not now regularly represented in it. Write us or some of our neighbors write to us about it.

All postmasters or agents are authorized to retain 25 cents from a regular yearly subscription to the Itemizer but no commission can be allowed on combination rates.

If you or any of your neighbors have anything extra fine in the way of stock or poultry, or if you know of anything else that might interest the public, please tell us about it.

If you have goats, sheep, hogs, cattle, horses or anything else to sell, advertise the fact and buyers will soon appear. Everybody expects to find such notices under our heading New Today. The cost will be less than you imagine.

Many men and women are failures today because they were not trained to habits of industry in early life. Some samples can be found in Dallas and scattered over the country. It is a parents duty to train their children to be self helpful.

Keep the Balance Up.

It has been truthfully said that any disturbance of the even balance of health causes serious trouble. No body can be too careful to keep the balance up. When people begin to lose appetite or to get tired easily, the least impudence brings sickness, weakness, or debility. The system needs a tonic, craves it, and should not be denied it; and the best tonic of which we have any knowledge is Hood's Sarsaparilla. What this medicine has done in keeping up the even balance of health, gives it the same distinction as a preventative that enjoys as a cure. Its early use has illustrated the wisdom of the old saying that a stitch in time saves nine. Take Hood's Sarsaparilla for appetite, strength and endurance.
