John C. Toner Dead.

In 1852 Mr. and Mrs. Toner came from St. Louis where he had been a steamboat engineer and settled at Oregon City. From that date to 1875 he was continuously on the Willamette and Columbia rivers, running out of Portland to Astoria, the Dallas and all Willamette river steamboat points. No engineer in Oregon was better more favorably known. In 1875 they moved to Spring Valley and in 1893 to McMinnville where he died in January. Last Friday at the ripe age of 53 he passed away and after a funeral service by his pastor, the Presbyterian minister, he was taken to Oregon City and laid beside his life's companion. Some 25 years ago their son, Jake, who was a steamboat captain and engineer, was drowned in Portland and some years later their daughter, Laura, died near Lincoln. Three children remain, Mrs. P. F. Wright, of McMinnville, William, who has for many years been express messenger between Albany and Yacovina and Fred, who is deputy postmaster in Dallas.

G. L. Hawkins and family are at Ocean Park.

Vance Butler and wife have gone to Montana and Chas Craven has opened a tailor shop at Independence.

Three sisters of Mrs. Loughary, Miss Shupp, of Iowa, Mrs. Munger, of Los Angeles, and Mrs. Hadley, of Portland, have been spending a week with her.

One day last week 50 coaches passed through Albany bound for Portland and the travel show is equally as heavy.

Anyone having good, clean baled out hay for sale will please report the fact to this office. It would pay to advertise about whatever you wish to buy or sell.

Miss Laura Lacey, daughter of W. W. Collins of Saylor, committed suicide in Corvallis, Tuesday by shooting herself with a target rifle, there being no known reason for it.

Mr. Smallwood, of Nebraska, has bought the H. E. Koser property at \$3,000 and Mrs. Nettie Hutton paid Joe Furminger \$350 for property in the southeast part of town.

Misses Ruby and Mary Walter have returned from Amity, accompanied by Mrs. Stellenburger of that place and Mrs. T. A. Reese and children from Grand Forks, North Dakota.

Miss Emma Riggs and her sister, Mrs. J. W. Lewis, spent a couple of weeks at Chautauqua and at the Methodist congress in Portland. There they met Rev. Nelson Clark, who presided on the Dallas circuit over forty years ago.

Mr. Wallace T. Brown and Miss Nettie Miller were united in marriage Sunday July 16 at the home of the brides parents, Mr. and Mrs. A. M. Miller, Rev. T. A. Thompson, of Dallas officiating. Many useful and beautiful gifts were presented. After spending two days at the exposition, Mr. and Mrs. Brown returned home near McMinnville Valley.

What are Humors?

They are vitiated or morbid fluids coursing the veins and affecting the tissues. They are commonly due to defective digestion but are sometimes inherited. How do they manifest themselves? In many forms of cutaneous eruption, all rashes or eruptions, pimples and boils, and in weakness, languor, general debility. How are they expelled?

Hood's Sarsaparilla

which also builds up the system that has suffered from them. It is the best medicine for all humors.

A Sustaining Diet. There are fine enervating days, when as, somebody has said "men drop by the suastroke as if the Day of Fire had dawned. They are fraught with danger to people whose systems are poorly sustained and this leads us to say, in the interest of the less robust of our readers, that the full effect of Hood's Sarsaparilla is such as to suggest the propriety of calling this medicine something besides a blood purifier and tonic—say a sustaining diet. It makes it much easier to bear the heat, assures refreshing sleep, and will without any doubt avert much sickness at this time of year.

J. M. Jackson and wife, of Missouri, have been at Rickreall visiting his aunt, Mrs. W. E. Clark whom he had not seen for half a century. His wife is a sister of W. P. Conaway and of Dr. Conaway, who died in Dallas.

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood. All the blood in your body passes through your kidneys once every three minutes. If they are sick or out of order, they fail to do their work. Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.

Kidney trouble causes quick or uneasy heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries. It used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits. It is sold in fifty-cent and one-dollar bottles. You may have a sample bottle by mail. Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

One Dollar Saved Represents Ten Dollars Earned. The average man does not save to exceed ten per cent of his earnings. He must spend nine dollars in living expenses for every dollar saved. That being the case cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by Straffin Drug Co.
