Shipping tags for sale here in any quantity desired, also blank note and receipt books.

Cord wood or 16 inch oak stove wood wanted at this office on subscription account.

For load checks, warehouse receipts, hop tickets or any other job printing come to this office.

When you wish to sell goats, cattle or other stock it would pay to advertise in the Itemizer.

If you wish to either buy or sell wood or anything else, this paper can quickly bring you a customer.

Advertisers invariably have the advantage of those who do not let the public know what they are doing or want to do.

When you have stock of any kind or sale or want to buy anything it will pay to let it be known through the Itemizer.

Humbags and fakes of various kinds continue to come along and people continue to bite at them, especially those of a medical nature.

Remember that nearly everybody looks in this paper for notices of lost or found articles. All such articles should be promptly advertised.

Shrewd merchants make attractive offerings and let the public know about it. No other medium is so cheap or so effective as a good newspaper.

Volunteer correspondence always welcome from all over the county. If your neighborhood has been neglected, you are invited to send the news from there.

We shall feel thankful to all who will stop us on the street or anywhere else to give neighborhood news for the Itemizer. Or if you fail to see us send it on a postal card.

Nearly all who advertise under our heading New Today have their wants met. If you wish to buy or sell anything try it and be convinced that printer's ink pays.

The Itemizer wants additional correspondence from every neighborhood on a regular basis. No subscription to the Itemizer but no commission can be allowed on combination rates.

If you or any of your neighbors have anything extra fine in the way of stock or poultry, or if you know of anything else that might interest the public, please tell us about it.

If you have goats, sheep, hogs, cattle, horses or anything else to sell, advertise the fact and buyers will soon appear. Everybody expects to find such notices under our heading New Today. The cost will be less than you imagine.

Many men and women are failures today because they were not trained to habits of industry in early life. Some examples can be found in Dallas and scattered over the country. It is a parents duty to train their children to be self helpful.

JAPANESE JOTTINGS.

Japanese dolls are buried in a squatting posture, chin upon knees. Winkles are positively termed by the Japanese "wrinkles of old age."

Danjro, the great Japanese tragedian, is also the most skillful of all the dancers of Japan.

Japan has one of the largest steamship companies in the world, with service to the United States and to England by the way of Suez.

Catarrah

Is a constitutional disease. It originates in a scrofulous condition of the blood and depends on that condition.

It often causes headache and dizziness, impairs the taste, smell and hearing, affects the vocal organs, disturbs the stomach. It is always radically and permanently cured by the blood-purifying, alterative and tonic action of

Hood's Sarsaparilla. This great medicine has wrought the most wonderful cures of all diseases depending on scrofula or the scrofulous habit.

Over in Gilliam County.

Tracy Staats has been spending ten days among friends there and found many things unlike they are here. They raise almost nothing else but wheat which grows neither so thick nor so tall as with us.

A Warning to Mothers. Too much care cannot be used with small children during hot weather of the summer months to guard against bowel troubles.

As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels.

Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to grip.

If this does not check the bowels Chamberlain's Colic, Cholera, and Diarrhoea Remedy, and then a dose of castor oil, and the disease may be checked in its incipency and all danger
