AN OLD MAN'S TRIBUTE.

An Ohio Fruit Raiser, 78 Years Old, Cured of a Terrible Case After Ten Years of Suffering.

When suffering daily torture from backache, rheumatic pain, any ill of kidneys or bladder, turn to Doan's Kidney Pills. A cure endorsed by thousands. Read an old man's tribute.

Sidney Justus, fruit dealer, of Mentor, Ohio, says: "I was cured by Doan's Kidney Pills of a severe case of kidney trouble of eight or ten years' standing. I suffered the most severe backache and other pains in the region of the kidneys. These were especially severe when stooping to lift anything, and often I could hardly straighten my back. The aching was bad in the daytime, but just as bad at night, and I was always lame in the morning. I was bothered with rheumatic pains and dropsical swelling of the feet. The urinary passages were painful, and the secretions were discolored and so free that often I had to rise at night. I felt tired all day. Half a box served to relieve me, and three boxes effected a permanent cure."

"A FREE TRIAL of this great kidney medicine which cured Mr. Justus, will be mailed on application to any part of the United States. Address: Foster-McBarn Co., Buffalo, N. Y. Sold by all dealers; price, fifty cents per box."

Only a Mask.
Many are not benefited by the summer vacations as they should be. Now, notwithstanding much outdoor life, they are little if any stronger than they were. The tan on their faces is darker and makes them look healthier, but it is only a mask. They are still nervous, easily tired, upset by trifles, and they do not eat nor sleep well. What they need is what tones the nerves, perfects digestion, creates appetite, and makes sleep refreshing, and that is Hood's Sarsaparilla. Pupils and teachers generally will find the chief purpose of the vacation best served by this great medicine which, as we know, "builds up the whole system."
