DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will find just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghampton, N. Y. The regular fifty cent and dollar sizes are sold by all good druggists.

Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghampton, N. Y. on every bottle.

A Judicious Inquiry.

A well known traveling man who visits the drug trade says he has heard druggists inquire of customers who asked for a cough medicine, whether it was wanted for a child or an adult, and if for a child they almost invariably recommended Chamberlain's Cough Remedy. There is not the least danger from it and it always cures. There is not the least danger in giving it, and for coughs, colds and croup it is unsurpassed. For sale by Stafrin Drug Co.

BUELL.

Marion Miller has returned from Canada.

Miss Mary Butler has been working in Portland.

Tom Wilson has moved from Sheridan to his farm and will erect a new house.

N. M. Dickey is back from a three weeks prospecting trip to Alberta which country he likes and thinks of locating there.

Some Seasonable Advice.

It may be a piece of superfluous advice to urge people at this season of the year to lay in a supply of Chamberlain's Cough Remedy. It is almost sure to be needed before winter is over, and much more prompt and satisfactory results are obtained when taken as soon as a cold is contracted and before it has become settled in the system, which can only be done by keeping the remedy at hand. This remedy is widely known and so altogether good that no one should hesitate about buying it in preference to any other. It is for sale by Stafrin Drug Co.
