

Spring Medicine

The best is Hood's Sarsaparilla. It is the best because it does the most good. While it makes the blood pure, fresh and lively, it tones the stomach to better digestion, creates an appetite, stimulates the kidneys and liver, gives new brain, nerve and digestive strength.

An unequalled list of cures—40,366 testimonials in two years—proves its merit.

Sarsaparilla—For those who prefer medicine in liquid form, Hood's Sarsaparilla is now put up in the usual liquid form. Sarsaparilla has identical the same curative properties as the liquid form, besides accuracy of dose, convenience, beauty of taste, and being so easy to evaporate, leaving no residue. Sold by druggists or sent by mail, enclosing the price. U. S. Food Co., Lowell, Mass.

GUARANTEED UNDER THE Food and Drug Act, June 30, 1906. No. 324.

It seems that Mr. Harriman was willing to talk as long as he was not required to tell anything he wanted to keep secret.

The State fair is to again be held subsequent to the northwest racing schedule. The date for the fair has been made September 16th to 21st. Will we never get a board that can run Oregon's fair for Oregon and not a lot of race purse grabbers.

Heretofore it has been the custom for our Oregon legislators to furnish their local newspapers with copies of the bills presented in order that the bills could be presented to the people and discussed by all before their passage. This year this office failed to receive a single bill. Why?

W. J. Bryan says of the country weekly: "The editor of a weekly is known; his character stands back of his writings and is a pledge for the truth of what he says. The weekly is likely to grow in political influence for it is the only paper that can be owned and edited by the same man. The editor is close to the people and not only knows their necessities, but cannot afford to betray his reader into the hands of predatory wealth. His advertisers, too, are not of the kind that attempt to control the policy of the paper."

It only cost the last legislature a little over \$20,000 for their clerks, being about \$1,000 less than for the session before. Who now dares intimate that it was not a reform legislature.

If it is really the intention to finish that big canal, why not put the army in charge of the work. Where than in its ranks could you get better civil engineers, and the work would be done systematically.

Stole a Pair of Pants.

Friday some one took a pair of pants from Mr. J. C. Uglov's clothing store. The theft was soon discovered and our chief of police notified. Chief Palmer surely exhibited considerable ability in the way in which he made the capture and detection, and soon had the guilty party in limbo and the identified goods in his possession. He was found to be a young man named Williams, who in going to Mr. Uglov's store for a suit of clothes for another party, lifted the pair pants and stole them. Our chief discovered him at the depot with what he considered too much clothing on, and promptly nailed him. Justice Holman fined him \$25, and though he asserted his innocence, was willing to pay the fine, thus proving himself the guilty party.

Ten dollars a head is said to be the record price for Oregon Stock sheep. This price is reliably reported to have been paid for a small band owned by Joshua Purvine, a Spring Valley, Polk county farmer. Though larger prices have been paid for sheep for breeding purposes, it is asserted that this is the highest price ever paid in Oregon for stock sheep. Dealers say the great scarcity determined the price.

Thousands Have Kidney Trouble and Don't Know It.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your glass then it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

What To Do.

There is comfort in the knowledge so often expressed that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and stinging pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes. You may have a sample bottle of this wonderful discovery absolutely free by mail.

Address: Dr. Kilmer & Co., Binghamton, N. Y. Write writing material reading this generous offer in this paper.

Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address Binghamton, N. Y., on every bottle.
