Does Your Heart Beat

Yes, 100,000 times each day. Does it send out good blood or bad blood? You know, for good blood is good health; bad blood, bad health. And you know precisely what to take for bad blood—Ayer's Sarsaparilla. Doctors have endorsed it for 60 years.

One frequent cause of bad blood is a sluggish liver. This produces constipation. Patience, patience and then administer Ayer's Sarsaparilla. It will cleanse the bowels and give you a new lease on life.

Made by Dr. J. C. Ayer & Co., Lowell, Mass.

Also manufactured at

OUT OF THE USUAL.

Mr. Dean Collins and sister, Miss Ednelle, are out with a unique invitation to the basket ball team for Saturday night. The front page of the invitation has a hand-drawn pennant, and inside is this invitation:

The basket ball is over.
The weary player trains no more.
But re-convalesces living high
in the ranks, collecting orders, pie.
Rejoicing as again he sees
Them he may feel on things like these.
And so we pray that you will heed
And straight obey our friendly note
At eight on Saturday to come
And find your friends at our home.
For there will mirth and joy abound,
And games will merrily go round.
And there will be welcome too.
For "Her" is bringing her round with you.
And we'll make merry one and all.
In honor of great basket ball.

DEAN COLLINS,
EDNELLE COLLINS.

For Over Sixty Years.

An old and well tried remedy. Mrs. Winslow's Soothing Syrup has been used for over sixty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic and is the best remedy for diarrhoea. Is pleasant to the taste. Sold by druggists in every part of the world. 25 cents a bottle. Its value is incalculable. Be sure and ask for Mrs. Winslow's Soothing Syrup and take no other kind. Guaranteed under the Food and Drug Act, June 30, 1906. Serial Number 1068.

BIDS FOR BUSINESS.

What Our Merchants have to Offer the Buying Public.

The fishing season is now about to open and nowhere else in town but at the gun store of Mr. C. H. Eisner can you get the very best of everything with which to inveigle the wary trout.

For some time it has been recognized by all that the Staffin drug store was forging far ahead in the matter of popularity and patronage. In fact this store has long enjoyed the major portion of the trade tributary to this city. Their courtesy to all, carefulness in preparing prescriptions, excellent goods and fair prices, have aided materially in bringing this about.

Paul S. Z. Johnson, of Allegheny, Pa., will speak in the Woodman hall on March 21st 7:30 P. M. on some phase of the Divine Plan of the Ages. Mr. Johnson is thoroughly conversant with his subject, and his masterly eloquence rivets your attention from start to finish. Concert hall here. Seats free. Positively no collection.

Our Weekly Weather Report.

At great expense we have managed to secure by wireless telegraph from B. S. Pagenhoff a correct and reliable (sometimes) report of what the weather will be in this section for the next 24 hours. The intricate calculations necessary to reliably predict the weather in a given section, and because the wireless has now been made a trust, is the cause of the enormous expense to the Itemizer. If the weather does not always turn out as we predict, lay it to the man in the tower—of Babel.

GETS THE CHINA SET.

Miss Ada Longnecker Gets Twenty Two Subscriptions in One Day.

By a day of good work on last Saturday Miss Ada Longnecker secured 22 new subscriptions to the Polk County Itemizer, and incidentally secured the second special prize offered by this paper to the first one securing 20 new subscriptions. Miss Longnecker already had a number of new subscriptions to her credit, and several of the other contestants were getting pretty close to the amount set, but a day's work did the business and captured that nice 56-piece China set. The work done by this contestant simply shows how easy it is if you only go after it. Any one can do the same if they will only set their mind to it and not be discouraged. The Itemizer is a new paper, and it is very easy to get subscriptions for it. Good work can yet be done in any of the county towns. Get the subscriptions and consequent votes. No one is too much ahead for others to be discouraged. All it takes is to rustle.

We are pleased in this issue to present the handsome face of Miss Ada Longnecker. Although young in years, being considerably the youngest of the contestants, she has proved beyond all doubt that she is a ruster. She has won both special prizes offered, and is now hot after the piano. She may get it, but there are others that say nay. A week from next Monday will tell the tale. Bring in the dollars and get the votes.

The Farmer's Wife

Is very careful about her churn. She washes it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are exactly akin to the churning of butter. Is it not apparent then that if the stomach churn is foul it makes foul all which is put into it? The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. In this it is like the curative of pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood. If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter risings after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid, or lazy liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The best agents known to medical science for the cure of the above symptoms and conditions, as testified by the writings of leading teachers, and practical demonstrators, all the several schools of medical practice have been skillfully and harmoniously combined in Dr. Pierce's Golden Medical Discovery. That this is absolutely true will be readily proven to your satisfaction if you will but mail a postal card request for Dr. R. V. Pierce, Buffalo, N. Y., for a free copy of his booklets of extracts from the standard medical authorities giving the names of all the ingredients entering into his world-famed medicine and showing what the most eminent medical men of the age have to say.

Eye-glass fitting is too important a matter to rush into "with your eyes shut." If your eyes wear out, they're gone forever. When you buy glasses, see to it that you get glasses that are just right. We have the knowledge, experience, eye-examiner, up-to-date apparatus and skilled employees to make you just right. Write for our booklet. It contains valuable information about the care of the eyes. We will send it to you free—post paid.

THE BEST AGENTS KNOWN TO MEDICAL SCIENCE FOR THE CURE OF THE ABOVE SYMPTOMS AND CONDITIONS, AS TESTIFIED BY THE WRITINGS OF LEADING TEACHERS, AND PRACTICAL DEMONSTRATORS, ALL THE SEVERAL SCHOOLS OF MEDICAL PRACTICE HAVE BEEN SKILLFULLY AND HARMONIOUSLY COMBINED IN DR. PIERCE'S GOLDEN MEDICAL DISCOVERY.

GORKE & SHAW

ELECTRICITY FOR LIGHTING IS ONLY EXPENSIVE TO PEOPLE WHO ARE WASTEFUL AND CARELESS. TO YOU, WHO ARE NATURALLY CAREFUL, IT DOES NOT COME HIGH.

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed, to save bother of lighting and adjusting. In some homes the electric light bill amounts to only about \$2 per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation, ruins your eyesight, smokes your walls, mars decorations and increases household work. You can probably save a dollar to-morrow by going without your meals, but it wouldn't be economy. It is not so much what you save, but how you save, that counts. We are always ready to explain the "ins and outs" of the lighting proposition to you. Call on us or phone to us. We are never too busy to talk business.
