DUNN-McCOLM WEDDING.

From the Dayton Optimist we clip the following account of the Dunn-McColm wedding which occured on Wednesday of last week:

Wednesday evening at 8 o'clock at the home of Mr. and Mrs. J. L. Castle, the marriage of Miss Lolo McColm to Dee W. Dunn, of Dallas, was solemnized by Rev. M. P. Dixon.

The room where the ceremony was performed was tastefully decorated with green and white. The bride and groom stood under an arch of Oregon grape, from which was suspened a bell of mock orange blossoms. The back ground was of fern and white roses. The living rooms were in purple and the profusion of roses filled the air with their fra grance.

Promptly at 8 o'clock to the strains of the wedding march by Miss Agnes Richmond, the bridal party decended the stairway. The bride was attended by Miss Ruth Rippey, gowned in champagne silk chiffon and carrying a bouquet of Bride roses. The bride, one of Dayton's most popular young ladies was charming in a white silk trimmed with all-over lace and white medallions. She carried a bouquet of white carnations, which was afterwards caught by Miss Ruth Rippey. The groom wore the conventional black and was attended by Bish McColm, eldest brother of the bride.

After the ceremony congratulations were received and the thirty-three guests were regaled with ice cream and cake, the Misses Jennie Rippey and Agnes Richmond serving. Miss Fannie Rippey presided at the punch bowl.

Mr and Mrs. Dunn left Thursday evening for Dallas, where they will be at home to their friends after July 1 in their pretty new cottage on Shelton street.

Many beautiful and useful gifts were received.

The out of town guests were: Mr. and Mrs. C. A. Dunn and Mr. and Mrs. H. Dunn, of Portland, Mr and Mrs. Edwin Dunn, Mr. and Mrs. Taylor Dunn and W. A. Dunn, of Dallas.

DOCTORS MISTAKES

Are said often to be buried six feet under ground. But many times women call on their family physicians, suffering as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or overbusy doctor, separate diseases, for which in a similar item to be such, prescribes his pills and potions. In reality, they are all only *symptoms* caused by some uterine disease. The physician, ignorant of the cause of suffering, keeps up his treatment until large bills are made. The suffering patient gets no better, by reason of the wrong treatment, but probably worse. A proper medicine like Dr. Pierce's Favorite Prescription, *directed to the cause* would have entirely removed the disease, thereby dispelling all those distressing symptoms, and instituting comfort instead of prolonged misery. It has been well said, that "a disease known is half cured." Dr. Pierce's Favorite Prescription is a scientific medicine, carefully devised by an experienced and skillful physician, and adapted to woman's delicate system. It is made of nature's own American medicinal roots and is perfectly harmless in its effects *in any condition of the female system.*

As a powerful invigorating tonic "Favorite Prescription" imparts strength to the whole system and to the organs distinctly feminine in particular. For overworked, "worn-out," run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," house-keepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and nervine tonic.

As a soothing and strengthening nervine "Favorite Prescription" is unequaled and is invaluable in allaying and subduing nervous excitability, irritability, nervous exhaustion, nervous prostration, neuralgia, hysteria, spasms, St. Vitus's dance, and other distressing nervous symptoms commonly attendant upon functional and organic disease of the uterus. It induces refreshing sleep and relieves mental anxiety and depression. Dr. Pierce's Pleasant Pellets invigorate the stomach, liver and bowels. One a dose. Easy to take as candy.
