The rain is of great value to the grass and gardens. There is to be a dance at Warren Wright's the 4th of July. Last week Mrs. Lydia Misenheimer was taken to the insane asylum. Aaron Mayhew and Frank Morrison have joined the army of timber cruisers. Mrs. M. L. Hampton, who has been teaching at St. Mary's, has returned to her home at Rocca. The road from here to Norton's has been very much improved, but the rain of the past week are going to try it pretty hard, especially if heavy rains pour over it before good weather comes again. A. SKIN DISEASES HUMORS IN THE BLOOD

When the blood is pure, fresh and healthy, the skin will be soft, smooth and free from blemishes, but when some acid humor takes root in the circulation its presence is manifested by a skin eruption or disease. These humors get into the blood, generally because of an inactive or sluggish condition of the members of the body whose duty it is to collect and carry off the waste and refuse matter of the system. This unhealthy matter is left to sour and ferment and soon the circulation becomes charged with the acid poison. The blood begins to throw off the humors and acids through the pores and glands of the skin, producing Eczema, Acne, Tetters, Psoriasis, Salt Rheum and skin eruptions of various kinds. Eczema appears, usually with a slight redness of the skin followed by pustules from which there flows a sticky fluid that dries and forms a crust, and the itching is intense. It is generally on the back, breast, face, arms and legs, though other parts of the body may be affected. In Tetters the skin dries, cracks and bleeds; the acid in the blood dries up the natural oils of the skin, which are intended to keep it soft and pliant, causing a dry, feverish condition and giving it a hard, leathery appearance. Acne makes its appearance on the face in the form of pimples and black heads, while Psoriasis comes in scaly patches on different parts of the body. One of the worst forms of skin trouble is Salt Rheum; its favorite point of attack is the scalp, sometimes causing baldness. Poison Oak and Ivy are also disagreeable types of skin disease. The humor producing the trouble lies dormant in the blood through the winter to break out and torment the sufferer with the return of Spring. The best treatment for all skin diseases is S. S. S. It neutralizes the acids and removes the humors so that the skin instead of being irritated and diseased, is nourished by a supply of fresh, healthy blood. External applications of salves, washes, lotions, etc., while they soothe the itching caused by skin affections, can never cure the trouble because they do not reach the blood. S. S. S. goes down into the circulation and forces out every particle of foreign matter and restores the blood to its normal, pure condition, thereby permanently curing every form of skin affection. Book on Skin Diseases and any medical advice desired sent free to all who write. S. S. S. is for sale at all first class drug stores.

C. H. EVANS, Stockman, Neb. I suffered with Eczema for forty years and could find nothing to cure me until I tried S. S. S. I suffered intensely with the itching and burning of the skin and would form from which there flowed a sticky fluid that dries and forms a crust, and the itching is intense. I suffered agony in the long years I was afflicted, but when I used S. S. S. I found a perfect cure. There has never been any return of the trouble.

BUSINESS FOR SALE

For more time I have been conducting a general merchandise business in Moro, Oregon, with practically no competition. I have built up a trade of over \$90,000 a year, netting me a profit of over 15%. This has all been done with hired help as my time has been devoted to the real estate business. With little effort it can be made to pay over 20% on an investment of \$28,000. If I were going to remain in the mercantile business, I would stay right here. I have good reasons for selling. Moro is the county seat of Sherman county, is surrounded by a rich wheat district and is in the midst of a population of over 2,500 people. It offers the best opportunity for a man of energy in the Northwest today. My store is 30 by 50 feet, well stocked with the best line of brand new goods, no odds and ends. I have the best and most profitable patronage, such as carriers, saddles and steam heat. Every modern convenience. PROPOSITION: My price is the actual invoice cost of the goods in stock at the time of sale. I will take either cash in full or part. Portland or Willamette Valley real estate or secured notes. I will pay all the expenses of any man who investigates and does not find everything as I represent. This is a first class offer and I know it. It is better than 99% of the offers you read about. Investigate and find that I am right. REFERENCES: W. H. Moore, President Oregon Trust and Savings Co., Portland; French & Co., Bankers, The Dalles, Oregon; and W. W. M. Co. Bank, Moro, Oregon. BLACK, ITCHING SPOTS ON FACE

Physicians Called It Eczema in Worst Form - Treated Disease for a Year but Could Not Cure It - Patient Became Despondent - Suffering Promptly Aligned and CURED BY CUTICURA

"About four years ago I was afflicted with black blotches all over my face and a few covering my body, which produced a severe itching irritation, and suffering, to such an extent that I was forced to call in two of the leading physicians of the city. After a thorough examination of the disease, they announced it to be skin eczema in its worst form. They treated me for the same for the length of one year, but the treatment did me no good. Finally I became despondent and decided to discontinue their services. Shortly afterwards, my husband read in a copy of a weekly New York paper an advertisement of the Cuticura Remedies. He purchased the entire outfit and four using the contents of the first bottle of Cuticura Resolvent in connection with the Cuticura Soap and Ointment, the breaking out entirely stopped. I continued the use of the Cuticura Remedies for six months, and after that every blotch was entirely gone and the affected parts were left as smooth as ever. I have not felt a symptom of the eczema since, which was three years ago. The remedy has cured me of that dreadful disease, eczema, but of other complicated troubles as well, and I have been the means of others being cured of the same disease by the Cuticura Remedies, and I don't hesitate in saying that Cuticura Resolvent is the best blood medicine I have ever used, and has cured humors of the skin, scalp, and blood of infants, children, and adults, when all else fails. Sold throughout the world. Put in trial size. One bottle 50c. Two bottles \$1.00. Three bottles \$1.50. Four bottles \$2.00. Five bottles \$2.50. Six bottles \$3.00. Seven bottles \$3.50. Eight bottles \$4.00. Nine bottles \$4.50. Ten bottles \$5.00. Write for full particulars and free trial bottle. Address: CUTICURA CO., P.O. Box 100, Portland, Ore.

BIG WOODMAN TIME.

Falls City Camp Brings Down 18 Candidates.

A special train from Falls City at 8 o'clock Tuesday evening brought down some 40 Woodman and 15 candidates to be made acquainted with the mystery of Woodcraft. The Falls City visitors were met at the train by a number of the big Woodman hall, and escorted to the big Woodman hall, where they were crowded with Woodmen to see the large class made neighbors. The object in Falls City camp was to give the initiates the benefit of our large hall here, where the teachers could be done in so much better shape than in the unlimited quarters generally available. After the opening ceremonies, and the regular business of the association was transacted. Acting Consul Muse called Hon. W. L. Toole to the chair for the reading of the constitution and the officers of the Falls City camp and the Falls City camp also occupied stations to the right of the Falls City camp. The pretty initiation work was put on without a flaw, and by a little after 11 o'clock Falls City camp was possessed of 15 more members. After some speaking making by prominent Woodmen, the visiting neighbors were invited below to the banquet room, where the delectable repasts, and Falls City chose this time, after satisfying the inner man, to give praise to two of their number, Messrs. Masters and Frank, and the program was continued. They have done much to make that camp what it is today, the strongest organization in the city and the pride of all its members. The hall up stairs was then repaired to, cigars passed around, and many engaged in card playing and other amusements, and conversation until time for the special train to return home at 1 o'clock. The present officers of Falls City camp are: Consul, S. E. Trask; advisor, A. E. Trask; clerk, Ben Masters; banker, Harry Starr; escort, W. D. Hamon; secretary, Albert Morris; watchman, Chas. Hastings; managers, J. D. Grant; Geo. Starr and J. F. Jones.
