Thus cried the hair. And a kind neighbor came to the rescue with a bottle of Ayer's Hair Vigor. The hair was saved! This was because Ayer's Hair Vigor is a regular hair medicine. THE EIGHTEENTH REUNION

of the Polk County Pioneers a Grand Success in Every Way.

Old Timers Gather Together From all Sections of the County

To Talk of Past Experiences and Renew Friendships.

The morning of the 3rd it looked as if the old pioneers of Polk were going to have a most disagreeable day for their 18th annual reunion. All known and recognized weather signs pointed to continuous showers during the day, but the weather man took pity on the old veterans who made old Polk and concluded to allow them a semi fair day for the renewal of their old time friendships, and to tell again of their early experiences.

The streets were too muddy for parade and the camp ground too cool for con fort, so the morning exercises were held in the court house. The following program was rendered:

Beautiful Willamette Sextette Rev. C. H. Davis Old Kentucky Home

Then came the banquet in the old skating rink, at which covers were laid for 100, and the seats were all taken. Bert Dennis tendered the use of his big autoand took therein the old and enfeebled from the courthouse to the banquet hall. Many of them had never enjoyed this mode of transportation and were greatly leased with the courtesy extended. The bill of fare was a delight both to eye and tomach, and will be gratefully remembered by all who took part. Post prandial speeches were made by a number of pioneer orators, and a most pleasant hour spent in talking over old times.

The annual business meeting followed the banquet. All of the officers were re-elected as follows: J. H. Hawley, president; Dr. Embree, vice president; J. D. Smith, secretary and treasurer; J. J. Williams, T. J. Hayter and G. W. Mc-Bee, executive committee, The registration of members was nearly twice as large

The rocking chair prizes were awarded to Mr. and Mrs- W. E. Clark, of Rick-reall, and T. O. Waller, of Monmouth.

During the afternoon the Bee Hive base ball nine defeated the Chemawa Indians Mrs. A. L. Shreve and children are

by a score of 6 to 5.

In the evening the Normal cadet band g v a concert on the court house lawn which was much appreciated by all who heard it.

Thus closed one of the best pioneer reunions ever held, and one which will long be remembered by the participants for its pleasing features.

The following is a list of pioneers who registered their names with Secretary J. Smith of the Polk County Pioneer Association, Wednesday.
