INDEPENDENCE.

Courtesy West Side.
Mr. C. C. Patrick made a business trip to Portland Friday.

Landlord Treanor and family, of the Little Palace hotel, were over Sunday visitors at Newport.

Albert Sperling, having cleaned up all his work here, has gone to Portland to take up similar work there.

Mrs. Fred Buchanan, of Newberg, and Miss Leonard, of Corvallis, visited at the home of Mr. and Mrs. Jack Wilson Saturday and Sunday.

The local lodge of the W. O. W. is adding right along to its membership, two candidates having been initiated at each of the last two meetings of the order.

Mr. and Mrs. Henry Shafer, of Portland, have been upon a visit to friends here. Mr. Shafer was formerly employed in the depot here, but is now working in Portland.

Fred Neely has returned from the Kleppen band, which played its last engagement for the tent show at Toledo. The withdrawal of three of the most prominent players caused disbandment. Ted Irvine, who was also with them, is again at home.

C. N. Thorp met with a painful accident Thursday of last week which will probably disable him from work for a while at least. He was hauling wood at the time, when his team crumpled the wagon in such a manner that his hand was caught between parts of it, tearing the flesh from the back of his hand to the bone.

The launch Independence started on its regular run again yesterday morning between here and Salem. The last two accidents to the boat have been from a similar cause and Mr. Skinner has taken great pains this time to put it in good condition. A considerable number of passengers went down on the boat Monday.

W. T. Hoffman returned Saturday from Ocala, Nevada, where he has been looking after development work on the Pilot Knob Co's mining property. Mr. Hoffman has not been well for a month or more and it became necessary for someone to take his place. Mr. Hoffman is very well satisfied with the prospect in the mine.

The I. O. O. F. concluded last Thursday evening the installation of the officers of the lodge for the ensuing term. In addition to the principal officers mentioned last week the following appointive officers were installed: B. S. N. G. W. Huntley; L. S. N. G. G. W. Crimmins; W. A. Parker; conductor, L. Wann; R. V. G. F. Webster; L. S. V. G. W. H. Green; I. G. E. Holcomb; O. G. E. S. Hillard; R. S. S. H. Wunder.

N. Simon, of Salem, met with an accident one day last week near Eola. He was returning home from a visit to his son near here, when his team, which was hitched to a loaded wagon, got frightened at the automobile on the Dallas-McMinnville run, causing him to fall from the wagon in front; but fortunately the team broke the single trees and became detached from the wagon else it would have run over him with probably serious results. As it was Mr. Simon, who is nearly 75 years of age, fatigued, and it was necessary to carry him to a farm house, where he soon revived.

You can now call up Portland on the Mutual phone.

Ralph Butler has returned home from Portland.

Mr. C. L. Crider and party are back from Ocean Park.

Police Judge Brown had a fine drunk before him this week. Usual fine.

Tom Notson and John Wiseman are taking in a rheumatic cure in Portland.

The families of Dr. Hayter and F. S. Ramsey leave in the morning for Netarts.

John Webster and family will occupy the new Chas. Feltner residence on its completion.

R. L. Deshields has sold out in Eastern Oregon and will soon move his family back to Dallas.

I. N. Woods is now in charge at the depot and General Riser takes his place in the First National bank.

W. J. White, acting as deputy sheriff, has been up in the woods, looking after the logging camp property attached by Simon and Scott.

Chet Conell and family leave tomorrow for McMinnville, where they will be joined by the Cook and Warren families and proceed to Netarts for a several weeks outing.

The retiring firm of Ellis & Keyt desire in this way to express their thanks to the general public for the generous patronage they have received while engaged in business in Dallas, and to speak for their successors a continuance of the same. The books of the late firm have been placed in the hands of Mr. August Riser at the First National Bank, and he is prepared to receive and receipt for all liabilities owing them. All individuals are earnestly requested to call and settle in some way at once. If it cannot be a cash settlement, your note will be accepted.

Thousands Have Kidney Trouble and Don't Know It.

How to Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours.

If the sediment or scum indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also convincing proof that the kidneys and bladder are out of order.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy, fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or had effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells you more about it, both sent absolutely free by mail, address: Dr. Kilmer & Co., Swamp-Root Co., 43 Centre St., New York, N. Y. When writing mention reading this generous offer in this paper.

Do not make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, New York, N. Y. on every bottle.

A HARD STRUGGLE.
Many a Dallas Citizen Finds the Struggle Hard.

With a back constantly aching, with distressing urinary disorders, Daily existence is but a struggle. No need to keep it up.

Doan's Kidney Pills will cure you. Mrs. M. Custer, of 436 W. Fifth street, Albany, Ore., says: "I have had no occasion to use Doan's Kidney Pills for nearly three years and that fact alone is proof of the value of the remedy. At the time I got it at Foshay & Mason's drug store I was suffering an acute attack of kidney complaint, the result of a cold which settled in my kidneys. It made me so weak and lame that I could scarcely move from one place to another. The passages of the kidney secretions were so frequent that I got little if any rest at night. I continued using Doan's Kidney Pills until cured, and in March, 1903, I told the story of my experience for publication in our local papers. Now that the cure has proved permanent, I am fully convinced of the value of Doan's Kidney Pills and wish every sufferer to know it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doans—and take no other.

ELECTRICITY FOR LIGHTING IS ONLY EXPENSIVE TO PEOPLE WHO ARE WASTFUL AND CARELESS. TO YOU, WHO ARE NATURALLY CAREFUL, IT DOES NOT COME HIGH.

It is economical because it can be quickly turned off when not needed. With gas or kerosene there is the temptation to let light burn when not needed, to save bother of lighting and adjusting. In some homes the electric light bill amounts to only about \$2 per month. You can probably get some kind of artificial light for less money than electric light, but does it save you anything when it limits opportunities for work and recreation, ruins your eyesight, smokes your walls, mars decorations and increases household work. You can probably save a dollar to-morrow by going without your meals, but it wouldn't be economy. It is not so much what you save, but how you save, that counts. We are always ready to explain the "ins and outs" of the lighting proposition to you. Call on us or phone to us. We are never too busy to talk business.
