ANOTHER CURE

"I suffered for more than ten years with a skin disease. Sores were on my legs and they made me sick. Physicians legs and they made me sick. Physicians were called in to attend to me, but they did me no good. Nothing seemed to do me any good until one day one of my friends advised me to try the Cuticura Remedies and which I did, and in less than four weeks I was made well. I used the Complete Treatment, consisting of Cuticura Soap, Cuticura Ointment and Cuticura Pills and I found them all very successful. My friends were surprised at such a quick cure, and I am glad to tell everybody what the Cuticura Remedies have done for me. Bertha Simpson, Alviso, Calif., May 24, 1906."

AND STILL ANOTHER

"My two children had the eczema, the first one had it for five months all over the body and we had two doctors treat her.
