There will be a partial eclipse of the sun today.  
Dr. H. L. Toney and Dr. S. T. Donohoe, dentists, Uglow building.  
It is now in order for you to get another license if you want to hunt game.  
Tracy Staats is down from Airlie. He will once more locate in Polk county.  
The Albany jail housed 22 hoboes the other night. Thank goodness, we do not get many on this side.  
You can get the Commoner, W. J. Bryan's weekly paper, and the Henzler together one year for \$1.75.  
On our exchange table can be found papers from all over the state. Those who desire can make use of them any time.

Miss Nellie Pomeroy, of Seattle, public school, has been visiting her aunt, Mrs. J. G. Van Oradel and Mrs. J. P. Byers.  
Our barber shops and some of the other stores closed for a time yesterday to give all a chance to eat New Year's turkey.  
Miss Jennie Bowersox and Raymond Peterson are Dallas college students that have spent the holidays in this city--Corvallis Times.  
"Had dyspepsia or indigestion for years. No appetite, and what I did eat distressed me terribly. Burdock Blood Bitters cured me."--J. H. Walker, Sunbury, Ohio.  
Don't let the baby suffer from eczema, scabs or any itching of the skin. Doan's Ointment gives instant relief, cures quickly. Perfectly safe for children. All druggists sell it.  
Mr. G. W. Richardson was in Monday. He has just sold his farm near McCoy to F. T. Hennig, of Iowa, who has now taken possession. Mr. and Mrs. Richardson will find a smaller place near some large town.  
In the Capital Journal's free box voting contest which closed Christmas evening, Miss Beulah Myers, the Spa candidate, proved a winner by a plurality of 57 votes. Miss Myers is quite well known in Dallas.  
At a meeting of the tax payers of school district 2 a tax of 3 mills was voted as requested by the board of directors through last week's Henzler. There was a small attendance of voters, only 15, and the vote stood 7 for a 2 mill tax and 8 for a 3.  
You may eat turkey any day in the year--if you have the price. You will have the price if you invest in a turkey raising company. Stock is only 15 cents a share in the Lee Comstock Mining company. P. O. box 258, Rhylite, Nevada.

Our constantly increasing business has made it necessary to have more room. The business and editorial department of the Henzler will hereafter be found directly across the hall from the old stand in the large front room. We have given up the old quarters entirely to the printers.  
The Staffin Drug store is acknowledged to be one of the best drug dispensaries in the state. They carry a large and varied assortment of everything used in the modern practice of medicine, and their mixologist is as skilled at his trade as it is possible to be. Frederick Upham Adams begins his series, "The Romance of Tammany Hall." Samuel Merwin describes the efforts of the Chinese to throw off the opium curse, and Frank Fayant lays bare Thomas W. Lawson's record as a prophet. "Preventing the Next Panic," by David Graham Evans, advocates government guarantee of National Bank deposits.  
There is more catarrh in this section of the country than at other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local remedies, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, sold by druggists, is the only cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer \$100 for any case they fail to cure. Send for circulars and testimonials. Address F. J. Cheney & Co., Toledo, Ohio. Sold by druggists, everywhere. Take Hall's Family Pills for constipation.

### INSTITUTE AT MONMOUTH.

#### A Large Attendance and Much Interest Taken.

The farmers institute at Monmouth Saturday called a large attendance, and was extremely instructive to all who attended. Many prominent instructors were present, as evidenced by the subject of the program.  
Among the important addresses delivered during the meeting were: "Pears," President W. K. Newell, of the State Board of Horticulture; "Small Fruits," Professor Lewis, of O. A. C.; "Cherries," J. R. Shepard, of Salem; "Walnuts," Fred Groner, of Hillsboro; "Strawberries," A. J. Shipley, of Monmouth; "What Horticulture Will Do For Monmouth," H. M. Williamson, secretary of the State Board of Horticulture.  
In addition to these helpful and instructive addresses on matters pertaining to horticulture, Dr. James W. Wilby, spoke on "Stock and Dairy Farming," Professor Bradley, of O. A. C., on "Soils," and President Keay on the "Value and Influence of Industrial Education."  
Now that such meetings have been started, others will be held in Polk county, notice of which will be given in these columns. A creamery at Monmouth will probably be the direct result of the meeting.

The following cash prizes will be awarded in the registered class--1st prize \$3.00; 2nd prize \$2.50; 3rd prize \$1.50--and no cash prizes will be awarded in the unregistered class. All animals, except kids, competing for prizes must have been shorn in 1907.

Sweepstakes best buck of any age and the same for doe, same in each class. Free space will be given to all those who desire to make an exhibit of sheep and swine. The latter exhibits will be scored independent of the goat show, and this arrangement is made simply to give the sheep growers and swine raisers an opportunity to show their blooded stock.  
The Southern Pacific Company and the Salem, Falls City & Western Railway Company will charge their usual rate on all animals sent to the show for exhibit; but upon presentation of a receipt from the secretary of the association, these companies will return all animals to the point from which they were shipped free of charge.

### ANOTHER LINK.

#### In the Basket Ball Laurel of Our College Team.

Last night our college basket ball team fully demonstrated that they can hold their own on a foreign court as well as on the home court, they walking away with the scalp of the Portland East Side Athletic Club by a score of 33 to 14. Today's Oregonian says of the game:  
In the basket ball game last night between Ringler's Athletic Club and Dallas college, Dallas won with a score of 33 to 14 at the close of the second half. When the first half was finished the score stood at 24 to 8 in favor of Dallas, while in the last half Dallas scored only 7 points, the Portland boys scoring 6. Harry Vinson's foul throwing was a feature of the Portland side of the game, for in 10 tries at the goal he scored 9 goals. The only other foul goals scored by Ringler's club were one by Sweeney and one by McKenzie. With more team work the Dallas boys would be able to hold the Dallas team to a very close score.  
In the first half Dallas succeeded in working their play of a pass from center to forward with great success. Craven and Fenton each scoring four points in the first half, while N. Shaw, the goal keeper, scored 12.  
In the second half a change was made in the lineup of the Portland team, Harry Vinson changing places with McKenzie. That this was a wise move is shown by the score of the second half. Dallas' team work was brilliant. The men constitute the tallest team on the coast, averaging 6 feet. They will outweigh the Portland boys by an average of 10 pounds. The guarding of Vinson and Miens was acknowledged by the Dallas team to be the best against them this season. Vinson holding Craven down to two goals during the entire evening. Miens held Fenton down to three goals. Tests acted as referee and Professor Ringler as umpire. The Ringler team will play a return game with Dallas within the month.

### OLD RESIDENT GONE.

#### Mr. J. H. Dunlop Passes Away Near Dallas.

Mr. J. H. Dunlop, who has been a resident of the Dallas vicinity for some 25 years, passed away at his farm near Dallas last evening at 9 o'clock. His death was the immediate result of a stroke of paralysis, which occurred several days ago, but he has not been enjoying good health for several years. He was a man well known for his sterling honesty and moral worth, and his death will come as a sad blow to those who have known and respected him for his many virtues during his residence among us. He leaves a wife, and son by a former marriage to mourn his loss. He may have other children in Canada, but this his wife did not know for certain. He was aged about 70 years, and was born in Petersburg, Canada. His funeral will take place from the Methodist church tomorrow at 10 o'clock.  
During 1907 the county clerk issued over 100 marriage licenses and 517 hunters' licenses.

### OVER 100 MASKERS.

#### The Skate Masquerade a Great Success.

The turnout at the carnival at the Colosseum was a large one. There were over 100 masqueraders and a goodly number of spectators. In fact it was the event of the week among the young folks, and they surely passed a merry time until the whistle began to blow, announcing to all that a new year had dawned. The large organ discoursed continuous lively music, causing both young and old blood to stir in unison with it, and to welcome the whirl of motion. The costumes worn by the skaters were handsome, unique or common, just according to the light in which you want to look at it.  
Much amusement was generated by the ability of some of the maskers to most successfully disguise themselves so that even their closest friends failed to recognize them. After some time of fun among the competitors were lined up and the judges announced the results of their deliberations. The judges were Dr. A. B. Starbuck, E. W. Fuller and Willis Siminton, who heartily wished themselves rid of their job, as it was a hard matter to discriminate among the contestants so many of them approaching the nearly perfect in each class. It was finally agreed as follows:  
Best lady's costume--Miss Buena Fiske, as a Turkish girl.  
Best gentleman's costume--Mr. Everett Gwinn, as George Washington.  
Best sustained character, lady--Miss Bessie Hayes, as a fisher girl.  
Best sustained character, gentleman--Merle Myer and Laird Woods as the Gold Duck twins.  
Best advertising costume, lady--Miss Leta Grant, as Observer.  
Best advertising costume, boys--George Morton, representing the Dallas East Side Athletic Club, paying nothing therefor \$2,000. Mr. Dyer bought the part on which the house is located, and his family will arrive here to make their home February 1st.  
Robert Dyer, a resident of Rosalia, Washington, last Monday bought of James Wilson 10 acres of what has been known as the Beekler place, paying therefor \$2,000. Mr. Dyer bought the part on which the house is located, and his family will arrive here to make their home February 1st.
