

SANTY KNEW HIS BUSINESS, ALL RIGHT, ALL RIGHT

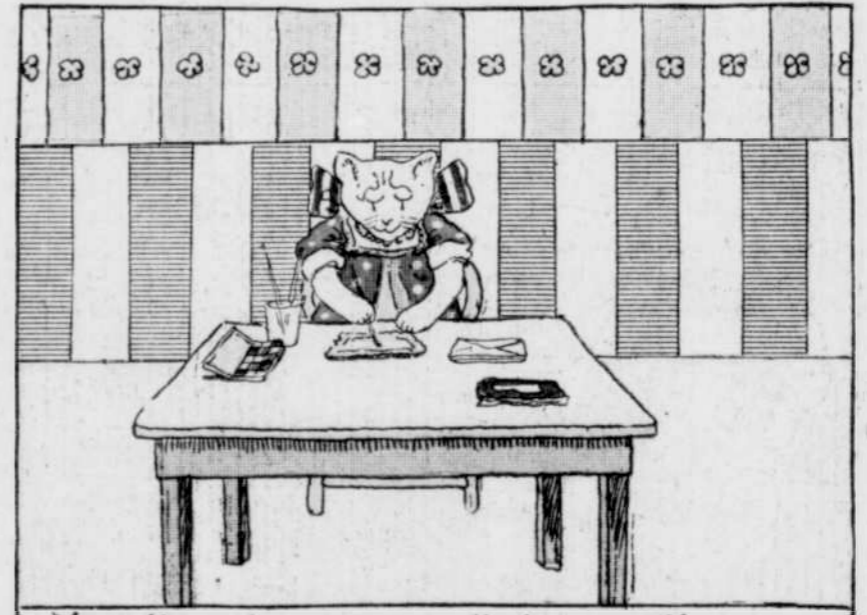

TO PINKIE'S FRIENDS, A GREETING

Unto all of Pinkie's friends
She sends this day a greeting.
Tisn't much. But, just the same,
Her heart with love is beating.

Pinkie's purse grew quickly lean,
A-coming Christmas season.
SPENT SO MUCH FOR "KIN-FOLKS;" See?
And that explains the reason.

Finally it came to "stamps,"
And home-made cards, "hand-painted."
Just enough for fifteen cards,
And Pinkie nearly fainted.

"President" - first - "Personal,"
"The Veg' table M&N" next came:
"Hermit" (paper told about)
"Army" - "Navy" - (any name)

"Lady" - (in the hollow lives.)
And, "Lady" - (cross the alley.)
"Uncle Tom," and "Newsie Jim".
And one for "Old Black Sallie".

Just five left. And they go to
"Big Sister," "Father," "Brother,"
(Who to children PINKIE read.)
And "Editor" and "MOTHER"!
