Postmaster Merwin reports the largest business through December for the Independence postoffice ever known in the history of the office. The registry business was practically double that of any previous year, and in the money order department and general postal business the increase was about 20 per cent.

Frank McDougall is in Independence this week visiting his sister, Mrs. F. W. Frear. The remains of L. S. Perkins were brought from Monmouth Wednesday afternoon and taken to North Yamhill for interment. A short service was held at the home of the Old Fellows and Woodmen, Rev. Chase, pastor of the Christian church of this city, officiating. There was a large number of members of these orders, and also friends present at the service.

The Old Fellows and Rebekahs joined forces Tuesday night and held a public joint installation, and the meeting proved one of the most enjoyable ever held in Independence for the members and their friends. In addition to the regular installation exercises a short program as follows was rendered: Vocal solo, Rev. Chase; instrumental solo, Miss Mabel Boylston; vocal solo, Miss Tope; recitation, Miss Nellie Damon; male quartet, Messrs. Chase, Will Walker, Fred Hooper and W. E. Craven. Following the installation and program an excellent banquet was served and all kinds of good things to eat were in evidence. A fine quartet sang a number of songs, it having been donated the orders for the occasion by H. Wunder, of Monmouth. The attendance was probably 150, the members having invited numerous friends to meet them. A number of Old Fellows and Rebekahs came in on the motor from Monmouth and other points. The occasion was one long to be remembered as a very enjoyable one by those participating.

AT FALLS CITY.

School Officers, Teachers and Parents Hold an Enjoyable Session.

School Superintendent Seymour informs us that the school officers, teachers and parents' meeting held at Falls City last Saturday was one of the best ever held, and that all who attended were most enthusiastic in the work, and each one desirous of assisting in advancing the power and facilities of education. The two large rooms of the Falls City school house were thrown open into one, and standing room was at a premium. The meeting was called to order by Ira Mehring, and with Miss Hallie Morrison at the organ, sang America, after which C. L. Hawley, president of the Polk County School Officers' association, handled the subject, Agriculture in the Public Schools in a very able manner. A general discussion followed led by C. C. Gardner, Superintendent Seymour explained the

It Quiets the Cough

This is one reason why Ayer's Cherry Pectoral is so valuable in consumption. It stops the wear and tear of useless coughing. But it does more—it controls the inflammation, quiets the fever, soothes, heals. Ask your doctor about this.
