that the best and cheapest wood you can buy is the blackwood from the Williams Valley Lumber Co.'s sawmill? Because it is cut from big timber, therefore is superior to second-growth fir. Leave your order at Webster's confectionery store, or call Mutual phone No. 1407

Lunches that Leave You

"Wishing that the lunch had not yet begun," is what a customer said the other day of the feeds put out by Johnson Bros. Everything so cozy, cooked in good taste and the food so varied and appetizing that even a fastidious dyspeptic cannot fail to say a good word for that popular establishment.

The Oysters We serve

Are the very best to be obtained in Oregon and we know how to cook them to the queen's taste. You can have them in any style and with all the concomitants that go to make up a first-class oyster house.
