

# PINKIE PRIM

"St! St! Pinkie! Pass this note,"  
whispered Stella Beecher.  
"She ain't looking, - she won't see!"  
(Referring to the teacher.)

Pinkie took and passed the note;  
Although she didn't favor  
Passing notes to boys in school.  
Of "vulgar" did it savor.

"St! St! Pinkie! Pass this note!"  
But, she paid no attention.  
Stella Beecher, recess time,  
Called a girls' convention.

"Pinkie wouldn't pass a note!"  
The charge was made by Stella.  
"My, but isn't she stuck up!"  
Let's cut her out," said Bella.

"I passed the first note," Pinkie said,  
"To show that I'm no 'fraidie';  
The second note I didn't pass,  
To try to be a lady.

"Stella, does your M&M know  
You write to Bella's brother?  
Is it right to do a thing  
You wouldn't tell your Mother?"
