OPEN MEETING FOR THE EDIFICATION ON ALL.

The Third Saturday in March the Date.

The Dallas grange met in regular session at the Odd Fellows' hall last Saturday. A goodly number were in attendance, but not as many as there should have been, considering the importance of this association as a world working benefit organization. As a matter of fact there is not as much interest taken in this society as there should be. The Dallas grange only numbers some 30 members, when it should contain hundreds on its roll. The principles of the association are most desirable, trusting as they do by concentrated effort and thorough organization to better the condition of these they represent. Every man who in any way pretends to agricultural pursuits should be a member of this organization, not alone for his own good, but for the benefit of his fellow worker. Concentration of effort could place this order on a grand plane, but the lack of it and the indifference displayed by the majority of our farmers, keeps it occupying a secondary place to what it should. At this meeting one candidate was initiated, and several members made good talks, principal among which was that of Hon. N. L. Butler, who advanced the crying need of a better bulling up of the organization, both numerically and then as a consequent matter of opinion. It was decided that at their next regular meeting, which falls on the third Saturday in March, they will devote the afternoon to the gratification of the public and hold an open session, at which all who desire may attend. Hon. G. W. Myer is the lecturer of the grange here, and on him falls the duty of preparing a suitable program for the occasion. When our reporter tackled him Monday, he had not fully formulated it, but simply gave us a small outline of what would probably occur. He said the single tax question would come up for discussion on referendum lines, and that he would like to see a debate on the subject; "Has the People Benefited the People, and if so, How?" He also hopes, if possible, to get some of the agricultural college professors to come down and give us a talk on lines particularly adaptable to the needs of our fruit growers at this time. Taken all in all, the program is sure to be a most particularly interesting one and the Itemizer expects to publish it at length before the meeting occurs.

MOHAIR ASSOCIATION MEET

SET DATE OF SALE OF POOL FOR APRIL 17th.

Will Meet Again on February 29th.

The Polk County Mohair Association had a well attended and interesting meeting on last Saturday. They concluded to sell their pool of mohair this year on April 17th, by which time everything will be in readiness for the successful disposal of the great annual crop of our mohair growers. They will meet again one week from next Saturday for the purpose of further perfecting arrangements, the meeting to take place in Brown's hall, adjacent to the Itemizer office. A full attendance of all growers is especially requested at this meeting.

REBEKAHS VISIT INDEPENDENCE

OUR FAMOUS DRILL TEAM PUT ON WORK THERE.

Motor Takes Big Crowd Over From the County Seat.

On Tuesday a district convention of the Rebekahs was in session all day at Independence, and many prominent members of the order from all over the West Side were in attendance. Mrs. Wm. Galloway, of McMinnville, president of the assembly, was the presiding officer, and besides attending to the routine business, for which the assembly was called, it was made an occasion for much enjoyment in a social way. All sessions were held at the commodious Odd Fellows' hall, with whom the Rebekahs are associated as a sister organization. A number went over in the afternoon from here, among them Mrs. H. B. Cooper, grand secretary of the grand assembly of Oregon.

The big crowd went over on the night motor, and constituted some thirty persons, twenty-two of them composing the degree team of Alaura lodge of this place, under the captaincy of Mrs. C. G. Coad. The initiatory work that night was put on by them, and all unite in saying they never saw better floor work in their lives. Added zest was given to the evening's entertainment through readings by Miss Burton and Miss Babe Danson, of Independence, and a vocal solo by Miss Georgia Martin, of Dallas. One of the most pleasant features, especially to the visitors, was the spreading of a delicious banquet. The ladies of Independence had already established an enviable record in this respect, and the ladies on this occasion fairly outdid themselves.

The ladies going from Dallas were chaperoned by Hon. George L. Hawkins and W. L. Soehren, and the latter came very near not getting to attend after he got there. The ladies seemed to have suspicions as to the validity of his traveling card. Those going from Dallas were: Mr. and Mrs. W. L. Soehren, Mr. and Mrs. G. L. Hawkins, Mrs. F. H. Morrison, Mrs. C. G. Coad, Mrs. H. B. Cooper, Mrs. J. G. VanOrsdel, Mrs. Walter Williams, Mrs. Ed. Shaw, Mrs. B. M. Coy, Mrs. W. R. Ellis, Mrs. D. M. Metzger, Mrs. E. Long, Mrs. F. M. Smith, Mrs. J. T. Ford, Mrs. V. P. Fisher, Miss Olive Howe, Miss Edna Hayes, Miss Ruby Fiske, Miss Elsie Brown, Miss Nora Robertson, Miss Mae Shelton, Miss Miss Hagless, Miss Olive Smith, Miss Ruth VanOrsdel, Miss Georgia Martin.

O. A. C. NOTES.

The Short Course students have finished their six weeks of busy laboratory and lecture work and have returned to the dairy, the orchard and the farm to better understand and work out their respective problems.

About 60 girls are boarding at the recently completed Waldo Hall, while at Cautions Hall about 70 boys are furnished rooms and board. Both of these dormitories are under the supervision of the college, and are kept in excellent manner.

Orchardists are seeking help, in planting and pruning, of those taking these courses and Saturday finds most students so employed.

The new farm barn is nearing completion, and is not only a beauty in architecture, but is convenient and well arranged.

An excellent bulletin on "Poultry in Oregon" is now available for distribution to all who request a free copy from Dr. Withycombe, Director of the Experiment Station of Corvallis.

Strangers are daily being shown about the grounds, green-houses, buildings and orchard—parents who have called to visit their children at school here.

Descriptions and outlines of the various courses are being made interesting to prospective students from Polk's high schools. The industrial school here has both theory and practice to its students.

Last week's Oregon Agricultural prints a cut of Mr. F. A. Koser's fine home at Rickreall, and says some very nice things of his success in the breeding of the stock.

Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as by indigestion or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system. The "Golden Medical Discovery" makes rich and healthy blood, so invigorates and builds up the system, the whole system. CITY FATHERS MEET

C. L. HUBBARD RESIGNS AS MARSHAL.

C. O. Tennis the New Chief of Police.

At the roll call of their regular meeting, last Monday evening, all of the city officials were present except councilmen Sibley and Staffin, and they came in before any important business was transacted.

The bill of Guy Bros. was reported favorably from the finance committee, amounting to \$24.10, and the same was ordered paid.

Other claims allowed: B. F. Cox, hauling, \$15; F. H. Morrison, surveying, 300; Oscar Hayter, salary, 20.

Claim of C. L. Hubbard, for \$29.50, referred to finance committee.

An ordinance regulating the planting of trees in the streets of Dallas was read first time. This ordinance provides for the future planting of trees only within the park strips and midway between the curb and the sidewalk.

The ordinance providing for the macadamizing of certain streets was passed by a unanimous vote, also one regulating the laying of the macadam.

Ordinances were passed regarding the building of curbs and their distance from the lot line, the latter to be 20 feet on all streets except the business street.

Ordinances to improve and regulate, and collect licenses, bowling alleys, shooting galleries, skating rinks and billiard and pool rooms, and regulating bill posting was passed. This raised the license fees by over double.

An ordinance to keep boys under 18 out of pool rooms was laid over next meeting.

The resignation of C. L. Hubbard as marshal was accepted. C. O. Tennis was the only person placed in nomination for the office, and he was unanimously elected.

The mayor was made a committee of one to secure a wood cutter at the quarry.

Councilman VanOrsdel was delegated to look after the installation of the incandescent street lights recently ordered.

What's the Difference?

Mayor Massey, of McMinnville, speaking at the Retail Grocers' Convention at Portland a couple of weeks ago said, "A friend of mine in the furniture business trying to sell an extension table to a lady, was told that she could get that table for a certain amount from Sears-Roebuck. 'I am not to be understood by any one,' he said, 'and I will meet their price.' She told him she would take the table, and asked him to send it right over. 'But I must have the cash in advance,' he said. 'You would have to pay Sears-Roebuck cash in advance,' said the lady, 'and I would be six weeks before you could get it from Sears-Roebuck.' The lady came around in six weeks to get the table. The dealer said, 'There is \$1.50 freight charges on this. When you pay that you get the table.' So she stood good and paid the freight charges. Any retail merchant, to compete with these people, should try the same plan.

A Call to Action.

By request I hereby call a mass meeting of the citizens of Polk County to meet at the court house at 10 o'clock a. m., Saturday, March 7, 1908. JAMES K. SEARS, Chairman of County Committee.
